REVIEW OF PESTILENCE A MEDICAL THRILLER THE PLAGUE TRILOGY BOOK

- Every time I hit the trails this book is with me. from trail descriptions to gps coordinates this book has it all. very comprehensive and complete in every way.
- I really enjoyed this

book; it categorized many of the great riff of the past and present. Each category is explained and examples given so you can easily start to create your own ideas. The two major sections, interval and scale based riff have a number of sub categories (Intervals have categories for semitone, tone thirds, fourths etc.) Basically a technical analysis of the various Riff types and how to create them - an excellent writing aid
