The continual rise of English as a global lingua franca has meant that English literature, both as a discipline and as a tool in ESL and EFL classrooms, is being used in varied ways outside the inner circle of English. This edited collection provides an overview of English literature education in the Asia-Pacific in global times, bringing to international attention a rich understanding of the trends, issues and challenges specific to nations within the Asia-Pacific region. Comprising contributions from Australia, China, Hong Kong, India, Indonesia, Malaysia, Philippines, Singapore and Vietnam, the collection addresses the diversity of learners in different national, cultural and teaching contexts. In doing so, it provides insights into historical and current trends in literature education, foregrounds specific issues and challenges in policymaking and implementation, presents practical matters concerning text selection, use of literature in the language classroom, innovative practices in literature education, and raises pressing and important questions about the nature, purpose and importance of literature education in global times.

Andrea Levy's Small Island Oswaal Books and Learning Private Limited

In the one hundred and ten years covered by volume four of *The Oxford History of Literary Translation in English*, what characterized translation was above all the move to encompass what Goethe called 'world literature'. This occurred, paradoxically, at a time when English literature is often seen as increasingly self-sufficient. In Europe, the culture of Germany was a new source of inspiration, as were the medieval literatures and the popular ballads of many lands, from Spain to Serbia. From the mid-century, the other literatures of the North, both ancient and modern, were extensively translated, and the last third of the century saw the beginning of the Russian vogue. Meanwhile, as the British presence in the East was consolidated, translation helped readers to take possession of 'exotic' non-European cultures, from Persian and Arabic to Sanskrit and Chinese. The thirty-five contributors bring an enormous range of expertise to the exploration of these new developments and of the fascinating debates which reopened old questions about the translator's task, as the new literalism, whether scholarly or experimental, vied with established modes of translation. The complex story unfolds in Britain and its empire, but also in the United States, involving not just translators, publishers, and readers, but also institutions such as the universities and the periodical press. Nineteenth-century English literature emerges as more open to the foreign than has been recognized before, with far-reaching effects on its orientation.

[Oswaal ICSE Question Bank Class 10 English Paper 2 Literature Book Chapter-wise & Topic-wise \(Reduce Syllabus\) \(For 2022 Exam\)](#) Bloomsbury Publishing

Weaving outwards from a centripetal force of biographical stances, this book presents the collective perspectives of literacy researchers from Brunei, China, Hong Kong, Malaysia, Singapore, the Philippines and Taiwan. It represents the first all-Asian initiative to showcase the region's post-colonial, multilingual and multicultural narratives of literacy education. This book provides a much-needed platform that initiates important conversations about literacy as a sociocultural practice in a region that is both challenged and shaped by sociocultural influence unique to Asia's historical and geopolitical trajectory. Driven by the authors' lived experiences of becoming literate as well as their empirical research work in later years, each chapter brings decades of biographical narratives and collective empirical research findings to bear. Within the book are negotiations about literacy across and within home and school contexts; transactions of literature, text and reader; and considerations of the literacy policy-practice nexus. These trajectories, while divergent in their issues, come together as shared lived experience located in local contexts considered through global perspectives. As Asia looks set to become the 21st century's new economic and labour force, the need to understand the sociocultural milieu of this region cannot be understated. This book on literacy education in Asia contributes to the larger narrative.

Keep in mind, checking out testimonials can assist you make educated choices about what to check out next and can expose you to brand-new authors and categories you might not have actually considered in the past.

REVIEW OF LITERATURE IN ENGLISH PAPER 3 WAEC QUESTION AND**ANSWER**

- I highly recommend this book to anyone who believes in God and would like to understand better what that might entail. If you're not sure about God, this book may lead you to him and help fill the void in your life.

- After digesting this book for a couple days, I remain in awe of the white space, the things the author didn't say, something I always appreciate in a visual work of art. For instance, even though the abortion is an event that obviously impacted the main character Olsen's life, little is written about it. And, when Coach Olsen receives a letter from Kristina, the woman who had the abortion, Ms. Hunter relates that he doesn't open it without going on about the incident or playing up the symbolism. She leaves it to the reader to put the pieces together, to get or not get the subtle clues and symbols, the spaces between the lines. She also handles the religious issues in the book with a similar, quiet, understated touch, not moralizing or proselytizing. Another aspect of this book that amazed me was the way Ms. Hunter brought a male jock character to life (Olsen). Coach Olsen is not painted in broad, stereotypical strokes. He is complex, sensitive, conflicted, but still a guy's guy. Being a sports guy and an artist-type, I constantly contend with many facets of my being, and related to Olsen. I felt for him and understood his internal battles, and wanted things to work out for him. And they do in a way, but the ending is not simple, without mystery, or contrived, which is consistent with the rest of the book. Indeed, I'm glad the book is not so black and white and the ending not so soap-operaish. I am reminded of writer William Trevor's observation that nothing in life is black and white, but rather shades of gray. In sum, this book is easy to read, with the chapters nice bite-size chunks, and hard to put down. It is compelling, and the writing and characters have lots of heart, sensitivity and depth. Definitely worth the time.
