Download and install Wise And Otherwise Sudha Murty PDF cost-free and improve your knowing experience!

REVIEW OF WISE AND OTHERWISE SUDHA MURTY

- I bought this book at a Revolutionar War event this past weekend and I've read it 3 times already (Purchased Sunday, and it's now Tuesday morning). My husband can't believe that I can't put this down. But I find it fascinating reading. Many of the little tips in here are still on many websites today for frugal living (olive oil and a little white vinegar for a wood furniture polish, for example). Easy and fascinating reading for anyone interested in history, frugal living, and occassionally a good laugh.

- This book visualises "The Beauty Myth" (by Naomi Wolfe). I want to be beautiful, who doesn't? But why? Why do women (and increasingly men aswell) have to be beautiful? The pictures presented are both disturbing - in their context - and insightful. For some reason they leave a grim image of women not liking themselves and wanting to be someone else. On the other hand the book also contains pictures and stories of women and girls who are happy to be who they are. Read this book along with "The beauty Myth" and you'll never look at another 'beauty'-commercial for clothes or cosmetics the same way you did before. Both books are true 'eye-openers'.
