On Disciplining the Soul CRVP

The spiritual life in Islam begins with riyadat al-naafs, the inner warfare against the ego. Distracted and polluted by worldliness, the lower self has a tendency to drag the human creature down into arrogance and vice. Only by a powerful effort of will can the sincere worshipper achieve the purity of soul which enables him to attain God's proximity. This translation of two chapters from *The Revival of the Religious Sciences* (Ihya' 'Ulum al-Din) details the sophisticated spiritual techniques adopted by classical Islam. In the first step, *On Disciplining the Soul*, which cites copious anecdotes from the Islamic scriptures and biographies of the saints, Ghazali explains how to acquire good character traits, and goes on to describe how the sickness of the heart may be cured. In the second part, *Breaking the Two Desires*, he focusses on the question of gluttony and sexual desire, concluding, in the words of the Prophet, that 'the best of all matters is the middle way'. The translator has added an introduction and notes which explore Ghazali's ability to make use of Greek as well as Islamic ethics. The work will prove of special interest to those interested in Sufi mysticism, comparative ethics, and the question of sexuality in Islam.

The Prophetic Ethics and the Courtesies of Living Samaira Book Publishers

The Book of Patience and Thankfulness is the thirty-second chapter of *The Revival of the Religious Sciences* which is widely regarded as the greatest work of Islamic spirituality. Written by one of the most famous theologian-mystics of all time, *The Book of Patience and Thankfulness* discusses two of the virtues of the religious and spiritual life that are of universal interest. --

The Mishkat Al-Anwar Kube Publishing Ltd

This is the first English translation of the last chapter of Al-Ghazali's *Revival of the Religious Sciences* (Ihya' 'Ulum al-Din), widely regarded as the greatest work of Muslim spirituality. After expounding his Sufi philosophy of death and showing the importance of the contemplation of human mortality to the mystical way of self-purification, Ghazali takes his readers through the stages of the future life: the vision of the Angels of the Grave, the Resurrection, the Intercession of the Prophet, and finally, the torments of Hell, the delights of Paradise and—for the

elect—the beatific vision of God's Countenance.

The Lives of Man Islamic Texts Society

"One who does not have a Muslim training finds it difficult to understand what he or she sees and hears when observing a Muslim at worship alone or with others in a mosque. The eleventh century writer Al-Ghazzali supplies the required information in his *Book of the Worship*, of which the present work is a translation. The Introduction brings together the acts and utterances which constitute the formal ceremony, which is still practiced today, called 'the Worship', and gives an account of the times when this ceremony is used in the religious life of the Muslim. Annotations attempt to make clear the allusions and the technical terms, the knowledge of which Al-Ghazzali takes for granted because he wrote his description of the *Worship for Muslims*."--BOOK JACKET. The Book of Remembrances Routledge

The two theories of divine love that are examined in this book

have their foundations in Greek, Jewish, Christian and Muslim ideas. Al-Ghazâlî (twelfth century) was influenced mainly by Plato and Ibn Sina's teachings, while al-Dabbâgh (thirteenth century), who accepted some Ghazâlîan notions, developed a theory of divine love that can be traced back to Neoplatonism. Both scholars created complete theories of divine love that include definitions of love, its causes and signs, the ways to love God, God's love for man, and kinds of love. The book will interest students of theology, philosophy and mysticism in general, and students of Islam in particular.

Remembrance and Prayer: The Way of Prophet Muhammad, was one of the first works of Shaykh al Ghazali's to be translated into English. The book describes in vivid prose how the Prophet, upon him be peace, used to remember Allah and pray to Him. Not only are the exquisitely beautiful, deeply moving and penetrating words of the Prophet given in the English translation, but in the original Arabic as well, thus allowing those desirous of memorizing Arabic access to the original texts. The intimate relationship with Allah, which was the hallmark of the Prophet's life, becomes clear and vivid. The book's contents are immensely relevant. to the life and concerns of modern man, whose life has been made barren by the present secularist machinery.

Inner Dimensions of Islamic Worship Routledge

In book twenty of the forty books which compose the Revival of the Religious Sciences (Ihya' 'ulum al-din), Abu hamid al-Ghazali gives a full account of the customs and character of the Messenger of God, Muhammad. It is not a biography of Muhammad (peace and blessing of God be upon him) but a roadmap for those who want to strengthen their faith, increase their knowledge, and deepen their understanding of the second part of the testimony of faith, namely the first pillar of Islam. The author details the Messenger's noble nature and his miracles, while removing doubts regarding his message. He deals with the issue of the imitation of Muhammad (peace and blessing of God be upon him) noting that the ultimate source of knowledge is revelation from God which comes to us through the Messenger. This volume lays clear that the aim of the imam in this Series is to call for a return to the Sunna and the imitation of the Messenger in all aspects of life.

The Alchemy of Happiness was an attempt to show ways in which the lives of a Sufi could be based on what is demanded by Islamic law. This book allowed Al Ghazzali to considerably reduce the tensions between the scholars and mystics. The influence of Al-Ghazzali upon both the Christian and Islamic thinkers of the Middle Ages and beyond is being more and more widely documented.

Al-Ghazali on Responses Proper to Listening to Music and the Experience of Ecstasy: Book XVIII of the Revival of the Religious Sciences SUNY Press

The Mishkat Al-Anwar, literally translated "The Niche for Lights," is a theological and philosophical sufi text by the well-known Muhammad Al-Ghazzali. Though the exact date of its writing is unknown, it was authored after his opus Ihya' ulum al-din, or Revival of Religious Sciences. The work focuses on expanding upon the meaning behind a verse in the Qu'ran--the Light Verse (S. 24, 35)--and upon the Veils Tradition in Islam. The book is divided into three sections; in the first Al-Ghazzali deconstructs the word "light" and all its meanings, in the second he discusses the symbolic language in the Qu'ran and Muslim traditions, and in the third he applies his findings to the verse and tradition itself. ABU HAMED MUHAMMAD IBN MUHAMMAD AL-GHAZZALI (1058-1111) was a Persian Islamic philosopher, theologian, psychologist, and mystic, known today as one of the most famous Sunni scholars in history, sometimes cited as next-in-importance only to Muhammad. Born in Tus, Al-Ghazzali was a pioneer of methodic doubt; his work The Incoherence of Philosophers shifted early Islamic philosophy from metaphysics to the theory of occasionalism, an Islamic doctrine that states cause-and-effect is controlled by God. He also succeeded in bringing orthodox Islam in contact with Sufism. The author of more than 70 books on various subjects, his influence continues to stretch far and wide even today.

This is the first English translation of a key section of al-Ghazali's Revival of the Religious Sciences, (Ihya' Ulum al-Din), widely regarded as the greatest work of Muslim spirituality. Its theme is of universal interest: death, and the life to come. After expounding his Sufi philosophy of death, and showing the importance of the contemplation of human morality to the mystical way of self-purification, al-Ghazali's takes his readers through the stages of the future life: the vision of the Angels of the Grave, the Resurrection, the Intercession of the Prophets, and finally, the torments of Hell, the delights of Paradise, and--for the elect--the beatific vision of God's Countenance. In this new edition, the Islamic Texts Society has included a translation of Imam Ghazali's own Introduction to the Revival of the Religious Sciences which gives the reasons that caused him to write the work, the structure of the whole of the Revival and places each of the chapters in the context of the others.

Designed as a reference guide and a source of inspiration, this volume presents a clear and elegant English translation of Imam al-Nawawi's classic, together with the text of every single prayer and invocation, both in Arabic letters and in romanisation. Also included are all the author's statements about those Hadiths which he related personally from his own teachers, and his guidance on the correct spelling and meanings of rare words and names. Finally, al-Nawawi's comments on the sources of Hadiths are supplemented by further scholarly notes.

Book Xxxiv of the Revival of the Religious Sciences Oxford University Press

We often pretend to be happy and put on a brave face for the world despite carrying the pain of enduring a personal struggle or adversity. When we are alone, that is when we fall into despair -

for failing to overcome the struggles that we carry silently in our hearts. Are we considered strong if we do not fall when life pushes us to the ground? Do our faith and belief tell us that we cannot let our misery affect us because as the saying goes, "we must bear patience"? In this book, author Liyana Musfirah takes readers on a reflective journey of discovering the strength that emerges from each of our painful and scarring episodes. This is the book that celebrates what God has given women - the resilience to withstand emotional, spiritual, or even physical hardships.

Dear Beloved Son - Ayyuhal Walad Routledge

The 38th chapter of the Revival of the Religious Sciences, this treatise follows on from Al-Ghazali on Intention, Sincerity & Truthfulness. Here, Ghazali focuses on the different stations of steadfastness in religion (murabaha), vigilance and self-examination being its cornerstones. As in all his writings, Ghazali bases his arguments on the Qur'an, the example of the Prophet, and the sayings of numerous scholars and Sufis. As relevant today as it was in the 11th century, this discourse will be of interest to anyone concerned with ethics and moral philosophy.

Wonders of the Heart Essential Ihya' 'ulum Al-Din

Named by Time magazine as one of the 100 most important innovators of the century, Tariq Ramadan is a leading Muslim scholar, with a large following especially among young European and American Muslims. Now, in his first book written for a wide audience, he offers a marvelous biography of the Prophet Muhammad, one that highlights the spiritual and ethical teachings of one of the most influential figures in human history. In the Footsteps of the Prophet is a fresh and perceptive look at Muhammad, capturing a life that was often eventful, gripping, and highly charged. Ramadan provides both an intimate portrait of a man who was shy, kind, but determined, as well as a dramatic chronicle of a leader who launched a great religion and inspired a vast empire. More important, Ramadan presents the main events of the Prophet's life in a way that highlights his spiritual and ethical teachings. The book underscores the significance of the Prophet's example for some of today's most controversial issues, such as the treatment of the poor, the role of women, Islamic criminal punishments, war, racism, and relations with other religions. Selecting those facts and stories from which we can draw a profound and vivid spiritual picture, the author asks how can the Prophet's life remain -- or become again -- an example, a model, and an inspiration? And how can Muslims move from formalism -- a fixation on ritual -- toward a committed spiritual and social presence? In this thoughtful and engaging biography, Ramadan offers Muslims a new understanding of Muhammad's life and he introduces non-Muslims not just to the story of the Prophet, but to the spiritual and ethical riches of Islam.

REVIEW OF AL GHAZALI ON THE REMEMBRANCE OF DEATH AND THE AFTERLIFE BOOK XL OF THE REVIVAL OF THE RELIGIOUS SCI

- I am a great fan of Griffin. I've read every one of his books, many of them twice or more. I been concerned that he's getting old and the supply will stop. Apparently, he's addressed this issue by bringing in the kid. Unfortunately, the kid can't write. While emulating the old man's style, the story is boring, incomplete, and tedious. There really is no story. An excellent first chapter is never wrapped properly. We spend the whole book setting up our hero to go into action on Cypress, except it never happens. Such a disappointment.

- The book was excellent but Amazon double my order so had to pay to return 4 books. Amazon ordering system needs serious help or I won't use it again.
