## REVIEW OF INTRODUCTION TO ENTERPRISE ARCHITECTURE AN FIRST EDITION

- This book was recommended by Amazon.com and I threw it in my shopping cart for fun. I found it surprisingly compelling. I do not remember ever reading Hardy before. His writing is wonderful and not at all old-fashioned, in fact, it is a modern book in sensibility. If you like books that care about characters and place, read it!
- The story of Piri Thomas is electrifying. He really depicts the struggle of growing up in those days. In a way he kind of reminds me of my father and me and the kind of relationship we had. Very GOOD! book
