With these suggestions, you can locate the right The Rage And The Pride book recaps for your passions and preferences. Satisfied analysis!

### REVIEW OF THE RAGE AND THE PRIDE

- In a business world where the only certainty is uncertainty, this book motivates you to plan for success, rather than focus on failure. Note that this book is not about foolhardy jumps into the entrepreneurial arena. Rather it is a tool that helps you (i) prepare a plan for success (ii) prepare yourself for success. Certainly a must read
- In his introduction to THE MINISTRY OF FEAR, Alan Furst

declares that a hero on a classic path in a literary spy novel "...must confront, and overcome, his own private darkness to confront, and defeat, the dark side of the world." IMHO, this formulation applies only partially to TMoF, since the ironic Graham Greene ultimately adds, not overcomes, personal difficulties and fears to the guilty regrets of Arthur Rowe, his protagonist. Still, Rowe does--SPOILER ALERT!--confront the dark side successfully. But in doing so, the ironist Greene shows Rowe making what are probably unsustainable choices. Through much of TMoF, Rowe, a bombing victim, suffers from partial amnesia. In his case, Rowe can remember his sunny and idealistic youth clearly but has blocked all memories of twenty years of adult experience, including life with his deceased wife. Without memory of his adult years, Rowe connects to his youthful sensibility, which makes him both an oddly effective adversary to a Nazi espionage ring and attractive to the younger Anna, who

finds his youthful and adventurous spirit refreshing. Initially, Greene uses the term "ministry of fear" to refer to the Nazis, who create an atmosphere of fear and distrust "so that you can't depend on a soul." But ultimately, the term applies to Rowe, who is regaining his memory at the novel's end and moving into a life where he has guilt and much to lose. A normal life with a significant other, Greene seems to be saying, is also affected by a ministry of fear. This is the eleventh novel by Graham Greene that I've reviewed on Amazon.com. Like most of these books (THE COMEDIANS is a slow-starting exception), TMoF has a brisk pace, an interesting and surprising plot, memorable characters, and some exquisite lines. The novel is also what Greene deemed one of his "entertainments," which apparently means the protagonist spends little time ruminating about his failings and responsibilities as a Christian or Catholic. This is an enjoyable novel and fully successful on its own terms. Recommended.
