REVIEW OF COME IN UN SOGNO GORJUSS EDIZ A COLORI

- Besides the true life drama of these events, I was particularly intrigued by the different reactions of the family members of the victims. Some wanted vengeance, some wanted to forgive, some just wanted to forget. All, of course, are totally normal reactions to a horrific tragedy. Greg Kelly did an amazing job of presenting, non-judgmentally, all these aspects, as well as his own interesting reactions to the events. He is a good writer and this is a

good book.

- A must before the trip to Yellowstone. Details the many dangers in the Park and how to avoid problems. Written in an easy to read format and is entertaining in

an only slightly scary manner. As an NPS volunteer and frequent hiker in Yellowstone Park, which has very real hazards, I think this book will make your trip more fun and much safer
