### **REVIEW OF NEVER PAY TAXES AGAIN THE GREEN SWAN**

- The Tao of Pooh and the Te of Piglet are intended to introduce readers to "the way" of life in a comfortable and down to earth manner. The books are filled with legends, stories, and examples. It is a wonderful application of Eastern beliefs to Western culture. Personally, I found them to be enlightening books focused on what a philosophy of life may look like and how spirituality can be constructed.

- Personally, I enjoy learning. I study the human psyche. I read a lot about the how people face the question of, "who am I?" "The Tao of Pooh" by Benjamin Hoff provides a view into answering this question, however, I found the use of the Pooh story to describe the Tao and life to be a little deep. As I worked through the pages sometimes I struggled to make the connection and to learn, but then I recognized the simplicity of the message and was able to grasp the author's intent. My roller coaster experience in reading this book went from deep reflective, intellectual investigation, to internalizing the simple messages of the Tao, to a conclusion of "what did I get from this read?" On the one hand, during the read I said to myself, "I will need to re-read this book, or chapters", then again, despite my appetite for learning, I wondered if I wanted to work that hard to get the message. Judge for yourself if you can gain the simplicity of the book's message for life.
