The Mahatma Gandhi quotes that " Sanitation is Way more important than the Independence." India is now independent but not sanitized properly as people don't have access to proper resources.

## REVIEW OF ESSAY IN HINDI SWACHH BHARAT ABHIYAN

- RSR was a book so much filled with techno jibberish I had to stuff it away on my bookshelf of bad books. When I pick it up twenty-five years from now, it may seem a little more realistic, but not now. This is one of the worst "Clancy" books I've ever read. Please Mr. Clancy, next time you think of a WW3 type of book, make it so it can be easily understood.

- Hunt for Red October made him famous, but Red Storm Rising made Tom Clancy great. The novel is a fascinating scenario that revolves around a 1980s Soviet oil crisis that leads to World War Three. Like his first book there is a large amount of submarine scenes, but RSR goes on to include a detailed air war and ground battles. though some of the plot lines no longer ring true (the F-19), it is still easy to enjoy. The sudden end was odd and it took me a page to figure out what was going on in Moscow, but was

satisfactory. I've read many Clancy novels since this book, but it still remains my favorite.
