REVIEW OF ALGORITHMS DASGUPTA PAPADIMITRIOU VAZIRANI SOLUTION

- Unsure of what I can add I will only say that this book will stay with me for years. Read it, enjoy it and reflect on it. PS This version is well formatted for Kindles.
- This is a great book. The story is thrilling in its twists and turns from the very beginning to the end. The only downside to this book is that it's a bit heavy to read. However it is absolutely worth it, I strongly recommend this book.
