The exuberant, exhilarating photographs of dogs underwater that have become a sensation From the water's surface, it's a simple exercise: a dog's leap, a splash, and then a wet head surfacing with a ball, triumphant. But beneath the water is a chaotic ballet of bared teeth and bubbles, paddling paws, fur and ears billowing in the currents. From leaping Lab to diving Dachshund, the water is where a dog's distinct personality shines through; some lounge in the current, paddling slowly, but others arch their bodies to cut through the water with the focus and determination of a shark. In more than eighty portraits, award-winning pet photographer and animal rights activist Seth Casteel captures new sides of our old friends with vibrant underwater photography that makes it impossible to look away. Each image bubbles with exuberance and life, a striking reminder that even in the most loveable and domesticated dog, there are more primal forces at work. In

Underwater Dogs, Seth Casteel gives playful and energetic testament to the rough-and-tumble joy that our dogs bring into our lives.

"There are two problems for our species' survival—nuclear war and environmental catastrophe," says Noam Chomsky in this new book on the two existential threats of our time and their points of intersection since World War II. While a nuclear strike would require action, environmental catastrophe is partially defined by willful inaction in response to human-induced climate change. Denial

of the facts is only half the equation. Other contributing factors include extreme techniques for the extraction of remaining carbon deposits, the elimination of agricultural land for bio-fuel, the construction of dams, and the destruction of forests that are crucial for carbon sequestration. On the subject of current nuclear tensions, Chomsky revisits the long-established option of a nuclear-weapon-free zone (NWFZ) in the Middle East, a proposal set in motion through a joint Egyptian Iranian General Assembly resolution in 1974. Intended as a warning, *Nuclear War and Environmental Catastrophe* is also a reminder that talking about the unspeakable can still be done with humor, with wit and indomitable spirit.

Former slave and seamstress, Violet Kingsley, returns to the modern world on the eve of the first African-American president. Violet's spirit returns while walking down the long dirt road, dubbed the Avenue of Palms, which leads to Kingsley Plantation. Bewildered by modern times, Violet struggles to adapt to what she calls the "new world." In this world she faces the daily challenges of

race not too far removed from her early days on the plantation. Violet tells her story of those early days like an old grandmother sitting in a rocking chair beside you. She recounts those early days struggling to survive the horrors of the Middle Passage, and early years of helping Nat Turner revolt against slavery. She speaks about frightful but loving years spent with her husband, freed slave and revolt fighter, Ishmael Carter, and the many years she spent searching for her family only to find some were closer to her than she ever imagined. *Avenue of Palms* is Violet's story.

REVIEW OF DEVENIR BOULANGER INBP DEVENIR P TISSIER INBP PARIS

- I devoured this text over last weekend, although I could have easily read it in just a day. The reason I didn't? I wanted to savour every morsel of wisdom in it. Don Murray has done an excellent job of addressing some of the common concerns of aspiring writers and teachers of writers everywhere. We can all be writers, but we do not all chose to write. Why? And why not start now? Murray reveals the fears we've held about writing (he goes through all the "writer's excuses" and dispels them one by one)

and he helps us focus in on what really helps writers with tidbits from his own experiences as a writer and from a plethora of "published" writers' reflections. He has one chapter on each of the three major forms of writing: essay, story and poem. Each of these felt loaded with valuable tips, examples, anecdotes and his overwhelming encouragement for those of us who still wish to write. As a teacher, I loved how he peeled open his skull and let us peek in to see what goes on in his mind when he writes -- or revises -- or edits -- or just plays with a text, rehearsing it on his mind or on his computer. As a writer, I found myself itching to get back to my computer, back to some of the writing I had neglected. His writing is straightforward but never boring. This is both a textbook and an inspiration tale. I plan on using it in the classes I teach, and as a kick-start for my own writing when it gets mired in the daily grind. Reading about writing just doesn't get better than this!

- Lust at first sight. One look at new guest Irene Stenson, and wickedly handsome, ex-marine turned lodge owner Luke Danner flips on the NO VACANCY sign at his Northern California Ventana Lake resort. Guest relations at the Sunrise on the Lake Lodge now include very personal service --- ALL NIGHT LONG. A surprise email from Irene's best friend forces Irene to return to the town that harbors her darkest memories and the basis of her fear and obsessions. Finding the body of her best friend Pam the day she arrives back in Dunsley enhances Irene's fears, but sexy Luke Danner proves to be Jayne Ann Krentz's cure for a traumatized Irene. "His smile was so slow and so wickedly inviting." Trying to escape his

"interfering, meddling, intrusive" family and their desire for him to help run Elena Creek Vineyards, Luke buys the Sunrise on the Lake Lodge looking for some peace and quiet to write a novel and deal with any lingering post traumatic stress disorder from his marine days. Instead, Luke becomes involved with Irene in connecting the dots between scandal, murder, blackmail, sordid videos, and the truth about what happened to her parents seventeen years ago. Family secrets: "One thing's for sure, every family's got 'em." Patriarch Victor Webb is a very powerful man. He has been directing his son's career for years and has the town and the sheriff in his back pocket, or so he thinks. His son, Senator Ryland Webb, leads a very public life, especially since he is running for the White House, but his dirty little secrets are being revealed by those he trusts most. Wealth, blackmail, power, political ambitions and murder are no match for Irene Stenson and her quest for the truth about her parents' deaths. Traumatized by finding her murdered parents in the dark on the kitchen floor at age fifteen, Irene leads a life of paranoia about the dark. She develops nighttime routines to cope, but not until Luke's "soft, husky groan" does she begin to find the solution to her nighttime fears. In the course of the novel, Luke and Irene find a dead body, burn down a house, take on a senator with the town in his back pocket, reveal family secrets, solve mysterious deaths, uncover incriminating DNA evidence, and fall in love. In this fast-paced novel Jayne Ann Krentz methodically unfolds the mystery that ties together the deaths of Irene's parents and the death of her best friend as she thrusts the hero and heroine into trouble and into bed. "In the glow of the night-light," Irene

begins to conquer her fear of the dark, her nightmares and midnight jitters finding contentment in Luke's embrace. Luke demanded "a kind of surrender that she had never been able to give any man." Krentz builds the romance between the characters realistically and romantically, including the awakening of Irene's feminine powers. Armed with a

new confidence and a new love, Irene finds the truth that sets her free. When the heroine is left "dazed and breathless" by the hero, Krentz can count on another bestselling novel her fans will read all night long. ALL NIGHT LONG begins with lust at first sight and ends with the best combination --- lust and love.--- Reviewed by Hillary Wagy
