## **REVIEW OF WITCH IS HOW BERRIES TASTED GOOD A WITCH P I MYSTERY BOOK 26**

- This is the complete music business directory and when i say complete i mean it. I've compared it to many other listings i own and nothing lives up to its name as this guide does. I found information here that the others did not contain, and to my surprise this had no errors or bad information, it's all great. I suggest you buy it if you're in the music industry or want in, it's great
- The novel itself is marvelous, but this edition is horrendous:1. The format is completely unreadable. There are no chapters or dividers or anything, which takes away from the reading experience in the "real" novel.2. It is not edited! There are multiple spelling/grammatical mistakes, and there is one section that is printed twice.I really think this version is pirated. Do not buy it. It ruins the book.
