REVIEW OF 2003 2004 CHEVY CHEVROLET SILVERADO SALES BROCHURE WITH DVD

- I knew nothing about South Africa, until I read this book. I knew what to expect when I got there.
- I read this years ago, as a child and in Russian, and I still remember the feeling of genuine dread (and triumph) this story inspired. Even as I think of it now, I feel the hair rise on the back of my neck. The evil in the book does not chase after you--it waits for you to come to it, and invariably, you do. In that sense, the title THE SATANIC MILL is unfortunate--you expect the mill to be Satanic; in Russian translation, the book was called simply KRABAT (the main character's name), and you did not quite know what to expect. The story begins as a young boy named Khabat, somewhere around

present-day Eastern parts of Germany, falls asleep wandering, and dreams of ravens crowing. Their message is for him to go to the mill some miles away, to sign up as an apprentice. Which he does, of course, and soon learns that it is no regular mill. (Nor is it quite Satanic, actually--for it is not Satan who runs it). He may stay, or he may go; if he goes, he will learn magic from the Miller himself. Of course, he stays--and becomes one of the apprentices, who turn, at their Master's command, into black ravens. All peachy so far--until the cleverest (and the kindest) of all the apprentices dies an

unnatural death--but not before having made his own coffin and dug his own grave. In the (happy) end, of course, Krabat will have to choose between love and good and fairness--and magic. Between being a regular boy and a powerful Miller himself; but such a choice will not come to him easily--and he will have to fight for his life, and that of his love. My favorite characters in the book were the idiot Yuro and the Great Pumphut, who gives the Miller a run for his money. The story is very creepy (or I think it would be for a 13-14 year old; I know it was for me), poignant and beautiful.
