REVIEW OF ENGINEERING MECHANICS SOLUTIONS

- I enjoyed this book so much that I bought three copies as gifts for friends. All Louise Erdrich's work is wonderful but I think she is really at her best here. I would love to see a movie based on this book but I'm afraid no actors could possibly portray the wonderful characters as truly as I saw them when reading THE LAST REPORT ON THE MIRACLES AT LITTLE NO HORSE.

- If you like rice then you will love this book. The dishes are savory, sweet to spicy with an abundance of flavors from the Mediterranean, Middle East, India, Caribbean, stir fries from East Asia, risottos from Italy & more. Every thing is simple to make and the seasonings are easy to find at any grocery store. This has become one of my favorite cookbooks.
