REVIEW OF PDF TRIGGERS MARSHALL GOLDSMITH

- Great book filled with doable projects for children with and

without adult supervision. Super learning tool.

- Will someone please figure out how to keep Gerrold's books in print? Especially this one. Easily one of the most entertaining mixed-genre Fantasy/SF novels ever written, it is also one of the hardest to find. It's not exactly like Asprin or Xanth but ... if you go for that, or for cleverly funny Fantasy/SF in general, put this book on your list. Well worth looking for.
