REVIEW OF CODING PUZZLES THINKING IN CODE

- Bought as an inexpensive gift and got one for my self. Useful instructions and pictures in a compact source. .
- If you are addicted to Saturday Night Live(aka. like me) then this is the perfect book for you. Let me just tell you this, this book has the EXACT quotes from the

people that they interviewed. You get to learn what happened from 1975 to 2003. You don't get to just learn about Will Ferrell and Bill Murray and what happened to they during their time, but you also have Chris Farley, Eddie Murphy, Molly Shannon, and SOOO many more of them. You get to find out about how SNL came to be and about Lorne Michaels. They tell you about what happened when someone died like Gilda Radner, and the emotions that everyone felt before the show, after, and during. If you need a book to pass the time, please buy this book. It will fill you with facts that you didn't know about that you did want to know about. That's why you should get this magnificent book!
