"New Uncommercial Samples" by Charles Dickens. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Goodbye Salad Days Bloomsbury Publishing

New Stories from the Midwest presents a collection of stories that celebrate an American region too often ignored in discussions about distinctive regional literature. The editors solicited nominations from more than 300 magazines, literary journals, and small presses and narrowed the selection to 19 authors. The stories, written by Midwestern writers or focusing on the Midwest, demonstrate that the quality of fiction from and about the heart of the country rivals that of any other region. Guest editor John McNally introduces the anthology, which features short fiction by Charles Baxter, Dan Chaon, Christopher Mohar, Rebecca Makkai, Lee Martin, and others.

Works Voyageur Press

'And O, Angelica, what has become of you, this present Sunday morning when I can't attend to the sermon; and, more difficult question than that, what has become of Me as I was when I sat by your side?' At the height of his career, around the time he was working on *Great Expectations* and *Our Mutual Friend*, Charles Dickens wrote a series of sketches, mostly set in London, which he collected as *The Uncommercial Traveller*. In the persona of 'the Uncommercial', Dickens wanders the city streets and brings London, its inhabitants, commerce and entertainment vividly to life. Sometimes autobiographical, as childhood experiences are interwoven with adult memories, the sketches include visits to the Paris Morgue, the Liverpool docks, a workhouse, a school for poor children, and the theatre. They also describe the perils of travel, including seasickness, shipwreck, the coming of the railways, and the wretchedness of dining in English hotels and restaurants. The work is quintessential Dickens, with each piece showcasing his imaginative writing style, his keen observational powers, and his characteristic wit. In this edition Daniel Tyler explores Dickens's fascination with the city and the book's connections with concerns evident in his fiction: social injustice, human mortality, a fascination with death and the passing of time. Often funny, sometimes indignant, always exuberant, *The Uncommercial Traveller* is a revelatory encounter with Dickens, and the Victorian city he knew so well.

Salad Samurai Sasquatch Books

Goodbye Salad Days tells the story of Kevin, a regular hamster in a familiar quarter-life crisis. Kevin's got his own hamster-sized home, hamster-sized

furniture, and the soul-crushing societal expectation to do adulthood right. Both adorable and painfully relatable, this book is sure to hit a soft spot in any reader trying to make the best of growing up and facing adulthood. • Features 25 scenarios with short captions • Filled with full color photographs of Kevin in handmade dioramas • At once perfectly weird and very relatable, making it a great gift Life for Kevin means enduring the grind of work responsibilities, an aching body, and mounting pressure from his parents to start a family, among other things. This sweet and funny book is a great gift or self-purchase for anyone hitting their quarter-life crisis and in need of some relatable laughs. • This hilarious and cute book is for anyone who has experienced (or is about to experience) these moments of loss and despair, and need a good laugh or a pick-me-up • Also a great gift for anyone who loves hamsters—especially funny photos of them • Author Traer Scott is a celebrated animal photographer and has had work featured in *National Geographic* • Add it to the shelf with books like *Henri, le Chat Noir: The Existential Musings of an Angst-Filled Cat* by William Braden, *The Secret Life of Squirrels* by Nancy Rose, and *Awkward Family Pet Photos* by Mike Bender and Doug Chernack.

And This Is My Friend Sandy Indiana University Press

Salad Days Collins & Brown

Great Expectations Salad Days

This book situates the production of *The Boy Friend* and the Players' Theatre in the context of a post-war London and reads *The Boy Friend*, and Wilson's later work, as exercises in contemporary camp. It argues for Wilson as a significant and transitional figure both for musical theatre and for modes of homosexuality in the context of the pre-Wolfenden 1950s. Sandy Wilson's *The Boy Friend* is one of the most successful British musicals ever written. First produced at the Players' Theatre Club in London in 1953 it transferred to the West End and Broadway, making a star out of Julie Andrews and gave Twiggy a leading role in Ken Russell's 1971 film adaptation. Despite this success, little is known about Wilson, a gay writer working in Britain in the 1950s at a time when homosexuality was illegal. Drawing on original research assembled from the Wilson archives at the Harry Ransom Center, this is the first critical study of Wilson as a key figure of 1950s British theatre. Beginning with the often overlooked context of the Players' Theatre Club through to Wilson's relationship to industry figures such as Binkie Beaumont, Noël Coward and Ivor Novello, this study explores the work in the broader history of Soho gay culture. As well as a critical perspective on *The Boy Friend*, later works such as *Divorce Me, Darling!*, *The Buccaneer* and *Valmouth* are examined as well as uncompleted musical versions of *Pygmalion* and *Goodbye to Berlin* to give a comprehensive and original perspective on one of British theatre's most celebrated yet overlooked talents.

[New Stories from the Midwest](#) Notion Press

The Uncommercial Traveller is a collection of literary sketches and reminiscences written by Charles Dickens, published in 1860-1861. In 1859 Dickens founded a new journal called *All the Year Round*, and the "Uncommercial Traveller" articles would be among his main contributions. He seems to have chosen the title and persona of the Uncommercial Traveller as a result of a speech he gave on 22 December 1859 to the Commercial Travellers' School London in his role as honorary chairman and treasurer. The persona sits well with a writer who liked to travel, not only as a tourist, but also to research and report what he found visiting Europe, America and giving book readings throughout Britain. He did not seem content to rest late in his career when he had attained wealth and comfort and continued travelling locally, walking the streets of London in the mould of the flâneur, a "gentleman stroller of city streets". He often suffered from insomnia and his night-time wanderings gave him an insight into some of the hidden aspects of Victorian London, details of which he also incorporated into his novels.

The Sketch OUP Oxford

For fans of Veronica Mars and Nancy Drew! Jane Day's a twenty-something temp-by-day, detective-by-night...and also sometimes during the day (don't tell Chad). Jane straddles two worlds: Reality - in boring grayscale - and her Imagination - in full, vibrant color. Jane uses the fantasy to cut through the tedium, living as much inside her head as out. Her wheelhouse is the weird. Not necessarily the macabre, but just the...strange. Collecting the first two volumes, several years of the P.I. Jane webcomic, into a mighty voltron of pop culture references and pro-am investigation, *The Salad Days* takes you for a ride-along on such cases as bootlegger minors, fun at the roller derby, a trip to River Heights to get Jane's Nancy Drew on, plus visits from favorites Pie and Cake. All the bonus stuff from volumes one and two are here - commentary, pencils 'n inks, pop culture glossaries, character design, Pie v. Cake a-plenty, guest contributors and more! So re-meet Jane Day...again...for the first time with *The Salad Days*. "Fans of *The Venture Bros.* or *Buffy* will enjoy the humor of this comic and will want to catch up on the fun that is P.I. Jane!" - Crisp Comics "A sassy webcomic with plenty of pop." - Comic Book and Movie Reviews.com A Caliber Comics release.

Salad Days

Professional chef and urban farmer Amy Pennington offers 75 creative, nutrient-rich salads for every time of day and occasion Amy Pennington will make you crave salads with these 75 recipes that feature not just greens with zesty dressings but also incorporate satisfying proteins, such as fish, chicken, eggs, cheese, and nuts, as well as other toothsome ingredients like grains and noodles, and even fruit. With fresh greens as the base of each recipe, *Salad Days* offers creatively delicious ideas for 75 salads for every meal of the day, including breakfast!

Salad Days

This collection of poems is meant to be read over a cup of coffee on a table for two. But really they can be read anywhere and anytime if only you would read them. They speak of have-not times when words refuse to brew. They speak of love and sorrow, raindrops and the memory trail - and the dreams forever taboo. But remember - the poems are not for everyone; they are for friends alone.

REVIEW OF SALAD DAYS OH SO FRESH IDEAS FOR FABULOUS SALADS GOOD HOUSEKEEPING

- This is an exploration of absolute freedom and the indifference of existence to human desires and preconceptions. Whether you like M. is not a central point (although it could affect your enjoyment of the book, certainly). He does not really "not care about anything" - he just doesn't put value on anything beyond immediate sensation, and in the end he becomes passionate about the value of sensation. Can we obtain wisdom from this odd fellow? In the end he is alone in a jail cell, awaiting certain death, with nothing but his solitary mind and memories. That's where he was in the beginning, and where everyone in the book and the world really dwells; he has just been more acutely aware of it than others. His life at the end has no more or less "meaning" or even pleasure to offer than it ever has, but he has awakened to the immediacy of life and experience. No one else in the book accepts these facts, and they all spend time pursuing "greater" concepts to avoid M.'s reality. That is why he is judged and condemned, and that is why it doesn't matter. They have taken nothing from him, and they just merge with the rest of the indifferent and absurd world. This is the vision I took away from the book, anyway. Needless to say, I find this disturbing. I'd really like to say M. and Camus are wrong, but some of these propositions are ring true. I will remember this book forever, I'm sure. I can't give anything higher praise (certainly not in my limited absurd sensory universe).

- The Stranger as translated by Matthew Ward has to be one of the sloppiest and most poorly written pieces of literature I've ever attempted to read. It seemed like it was written by a seven year old, and I could only slog my way through eight pages before I threw "it" aside in disgust. The only thing missing was crayola writing and backwards "R's". I would like to cite an example from page 6. "Just then the caretaker came in behind me. He must have been running. He stuttered a little. 'We put the cover on, but I'm supposed to unscrew the casket so you can see her'. He was moving toward the casket when I stopped him. He said, 'You don't want to?' I answered, 'No.' He was quiet, and I was embarrassed because I felt I shouldn't have said that." All the five star reviews for this novel are surely for another translation of the book. I mean Albert Camus won a Nobel Prize in Literature, and this translation in no way, shape, or form represents that. Long story short, this translation of *The Stranger* is something I would gift to a person I didn't like.
