REVIEW OF SHORT ANSWER STUDY GUIDE QUESTIONS OEDIPUS REX

- A quiet, contemplative, and well-crafted series of stories that connect to form a complete experience of the nature of art. Very charming.
- The reason I liked this book so much is because I have taught "Vermeer" in Art Masterpiece to third graders for the past five years, and it made the art and the artist much more real for me. I am scheduled to teach art masterpiece this week and I plan to

tell the kids about this book as a modern example of how art can be used in literature. (I usually tell them about the place in a book by Marcel Proust where a character with blood poisoning falls to his death while in a museum looking at "View of Delft" and exclaiming, "The little yellow wall, the little yellow wall!")I also

liked the way Vreeland structured the story from present to past-- a clever technique that made the reading fun. The Penguin edition I read had an interview with the author at the end of the story and that was another highlight for me. Thank you, Susan Vreeland for making me a better teacher!
