#### REVIEW OF LIMPOPO GRADE 12 QUESTION PAPERS AND MEMORANDUM

- Have you seen Deliverence then you must read High Hunt. I started reading it because I was waiting for the last of the Malorean books to be released and was in need of some new eddings. At first I was in shock because it's not fantasy. Then I was surprised. The well rounded plot. A must read for all.
- I was amazed at how complete this boxed set really was. The books are very informative and well illustrated. We popped in the CD on our way to the Sierra. I learned more about the natural and human history of California in that one trip than I had in all of my years in school.
