REVIEW OF STUDENTS SOLUTIONS MANUAL FOR CALCULUS AND ITS APPLICATIONS AND BRIEF CALCULUS AND ITS APPLICATIONS

- I'm in eighth grade, and my English teacher had us all read a Dr. Seuss book for his 101st birthday. I picked up Dr. Seuss's Sleep Book, wondering if it would help me, a restless dreamer, sleep at night. My hunch was right. The first page started me yawning instantly, as if the book had begun to cast a hypnotic sleep spell! By the time I reached the Mcphail band in the middle, when I had to stop at the end of class, I was yawning like a hippo! I was still drowsy when I got to gym class, almost an hour later! I curled up in a loose ball on my spot on the gym floor and VERY sleepily mumbled to myself, "Can I take a nap now?" I'm certain that if I'd finished, it woulda put me to sleep! I'm still yawning as I write this! *yawn* I'm going to get this book so I can sleep at night. As soon as I take a *yawn* little *yawn* nap... *snores*

- This book was used by my daughter for years- the tapeplayed as she drifted off to sleep. Anyone who does not have the book and the CD needs to put them on their list for the holidays!
