REVIEW OF ACCOUNTING PRINCIPLES 10TH EDITION SOLUTIONS CHAPTER 4

- Tolkien's first major hit, is a beautiful tale of fantasy and lore that will never be forgotten. Truly the greatest book of its kind the Hobbit introduces us to all of our favorite characters, such as Bilbo and Gandalf. I've read the book at least seven times, and I'm looking forward to reading it again.
- This is not a literary review, this is

about the edition/printing only. This is a great paperback. I bought it because it was economical, but ended up enjoying it because it is of exceptional quality. This is NOT a mass-market, stiff as a board, tiny font, drug-store printing. This is a book with sturdy binding and thick matte paper with pleasantly large font type. While it doesn't lay flat on a table when open, it is very easy to hold open in one hand. I love hardbacks, but this paperback was a purchase I do not regret. GREAT BOOK, MEMORABLE JOURNEY WITH UNIQUE CHARACTERS, AND A TOTALLY RECOMMENDED EDITION.
