Bear in mind, reading evaluations can aid you make notified choices regarding what to read following and can reveal you to new authors and genres you could not have thought about previously.

## REVIEW OF CAMBRIDGE PRIMARY PROGRESSION TEST PAST PAPERS SICNICE

- It is refreshing to read a book by an author who provides answers and not just criticisms. Professor Galbraith truly conforms to Robert Heilbroner's colorful description of the economists throughout history as The Worldly Philosophers. Without doubt this is the work of one of our modern day Worldly Philosophers. This book was written in 1996 when Mr. Galbraith was a very old man. The title of the book suggests a utopian message. Its subtitle is The Humane Society. But being a Worldly Philosopher and a professional economist, Professor Galbraith's "Good Society" is no dreamy eyed fantasy. It is an outline of not only what should be done but what is practical and achievable in a society - particularly our society here in the

USA. Of course this is all predicated on the notion that we live in a society that has a moral conscience. If you believe that you live in a world that is beyond morality or conscience or that the way things are is the way that things should be, then I would predict that this book will not interest you all that much. Richard Edward Noble - The Hobo Philosopher - Author of: "A Summer with Charlie"

- This order was placed on the 6th of January; As of 6th Feb the book hasn't reached me yet. Could be the international shipping. I will post my review once I get it.
