REVIEW OF SELF ESTEEM RESEARCH PAPERS

- With with newest installment of the Dark-Hunter series, Kenyon keeps building up the series and adding more complexity and backdrop to the Hunter world she has created.The characters, Cassandra (a Half-Apollite) and Wulf (a Dark-Hunter) are both well played off in this book. Cassandra is strong, humorous and more than able to fend for herself, you are synphatetic to her character. Wulf is good also, but after a while you get tired of the "leather-clad" heroes all the time.The storyline, pace and dialogue we well done, however, there were many unanswered questions in this book, not

so much with secondary characters, they obviously will be back in other books but questions about the main characters themselves. How did Wulf lose his soul? Who possesses it in the end? How were they exchanged? This is why I gave it 4 stars. But all in all, a good read. The series continues strong.

- If you are a lover of other Redwall books or the infamous "Watership Down" than you will love this thriller. It is an amazing story of Martin the Warrior, a traveler through the land of Mossflower. Through his travels he finds that Tsarmina the evil wildcat has taken control of the poor inhabitants. It is an enriching tale of revenge. Any kid would love this book.
