REVIEW OF NAVNEET CHEMISTRY DIGEST

• Don't let the fact that this book is not brand new or not expensive put you off! The characters are great and the price is a bargain! This is a book for

techno-types who like the sea and boats. The main character is NOT a superhero and not a real loser either. Gee.. a real person. Good techno fiction.. action, diving, technology.. good stuff. -- Frank Derfle

• This is not only one of Hammett's best books, but the obvious inspiration for the Coen Brothers' film "Miller's Crossing." Its cynical, nasty view of corrupt city politics is refreshingly contemporary, and the book stands as one of the best of the 20s/30s all by itself, even today-- but film fans will get an extra kick out of the Coen's wholesale appropriation of language and characters as well. After "Red Harvest," this is my favorite Hammett. Well worth reading every few years.
