REVIEW OF SCIENCE JOURNAL RUBRIC GRADE 5

- I gave this to my wife for Christmas,

she loved it. Read it twice!

- This collection of Robert Frost poems is a clear 5 star for the low price. Dover consistently provides great literature at an extremely low price. Despite the great bargain, you may want to spend more and purchase a book of Frost's

complete poetry. Although this book has a nice selection, some of his greatest poems are missing from this collection, notably "Mending Wall" and "Fire and Ice." Still, if you just want a few selected poems to carry you back to another era into a New England woods on a snowy evening you can't go wrong here.
