### **REVIEW OF 8891506893 IT19**

- I was planning on reading this book for the sole purpose of doing a book report for school. But once I started reading I realized that this was a interesting book and one I would like to read again on my own time. It deals with real life issues and is very intriguing. "A good read!"
- This book was an interesting reading for me. It was one of the best school readings I have been assigned. It was a up front look at a man looking to uncover his fathers past. His style of writing was upfront and direct. We did not feel compelled to censor his minds work of placing swear words in the text where needed, or being vague about intimate love sessions that had taken place. I most enjoyed the idea of the go-cart club. The inventiveness of having this club to lure in the king is one of the most original ideas that I have read in a long while. The book also has a sense of being a bit personal. I do not know Henry Bromell, only that he is good friends with ny english teacher, but from reading this book I have a sense that I know a little about him. That is why I believe people write books, is to allow the readers to have a brief glimpse inside the authors mind and life. He has, in my opinion, succeeded in doing so with Little America.
