REVIEW OF SOLID STATE PHYSICS 6TH EDITION SO PILLAI

- Panned by critics and written strictly to make money, I still find the story compelling and Faulkner's treatment of it excellent.
- I read this book cover to cover. The best resource guide I used for planning what I really wanted to see on a 10 day Alaska trip using a rented RV out of Anchorage. Very valuable guide and opinions on everything from sites to see and restaurants to go to. Used this book and Milepost to plan my trip.
