REVIEW OF TEN STEPS TO ADVANCING COLLEGE READING SKILLS ANSWER KEY

- Sherlock Holmes is approached by a concerned doctor from Devonshire, in this longest and most famous of Sir Arthur Conan Doyle's mysteries. A novel in its own right, this tale of the macabre murder on the moor (which houses a

desolate prison) takes Holmes from London to the dreaded Grimpen Mire-treacherous with pockets of quicksand. But nothing will deter the famous Victorian sleuth from helping an innocent man discover the truth about the family legend. Is it really a hound from Hell or something more worldly which threatens to wipe out the Baskerville family? Even Holmes expresses reserve about taking on the devil himself, for he admits that this foe is as vicious and clever as any he has encountered. Forced to go undercover, Holmes delegates faithful Dr. Watson to guard the new baronet at Baskerville Hall, with serious instructions to send regular reports of all he uncovers to him in London. Doyle's style includes lengthy dialogue, unrealistically long and detailed letters, with

alternating slow and fast pacing; the interesting denouement, where all loose ends are explained, occurs curiously two months later. THE HOUND OF THE BASKERVILLES proves vintage Victoriana, where Holmes' mind proves as fertile and agile as the master criminal's elaborate schemes to defraud the true heir. Holmes uses both his "irregulars" and Scotland Yard to help him achieve justice on the moor. If this is your introduction to the sleuth who resides at 221-B Baker Street, be sure to enjoy an anthology of his fascinating and deadly short stories.

- In this classic work, John Bunyan paints a detailed picture of the Christian life/walk, giving true-to-life insights and experiences. The despair, sorrows, trials and temptations that a believer may

face are depicted in an allegorical manner, as well as the hope, joy, and salvation found in Jesus Christ. The main character Christian (once named Graceless) sets out on a lifelong journey from the City of Destruction, where his family disowned him, and encounters many persons and difficulties along the way to the Celestial City (heaven). The characters he meets are given names that reflect their mindset or what temptation they bring. At times he stumbles and at times he perseveres, but all by the grace of God. The second portion of the book tells of the

conversion and subsequent sojourn of the wife (Christiana) and children of Christian. The discussions of Christian in the first part and Christiana and her companions in the second part are very interesting, as they defend their faith and explain their purpose to those they meet along the way. The book is quite different from your ordinary novel, and has many interesting words of wisdom for the Christian life. Readers should be aware that some of the language is antiquated and has unfamiliar usages, so its a little bit of an adjustment to read.
