REVIEW OF RAB BANGUNAN KONSTRUKSI BAJA TERMURAH KONTRAKTOR BAJA WF

- My family loves this story. The pictures are wonderful. I would recommend this version to others. Only draw back is that some of the phrases have to be explained to little ones.
- I like books that will keep kids attention. This book doesn't really do it for my child, therefore I rate it three stars. Im hoping she will grow into it, but right now she has very little interest in it. (15 months old) Maybe if your child is 2 or 3 years old they will like it more, but for the younger ones this is a little bit too much.
