We hope this short article has inspired you to check out Kumon Answer Book Level, get in touch with fellow viewers, and write your own reviews. Pleased reading!

REVIEW OF KUMON ANSWER BOOK LEVEL

- As a woman I cannot sympathize or connect with John Updike's protagonist Harry "Rabbit" Angstrom. However, getting the reader to sympathize with Rabbit is not the goal of Updike. Updike writes beautifully and evokes the universal theme of the meaning of life, and brings out the emotions of fear, guilt, loss, love, and pain in not only his protagonist, but his subordinate characters as well.

- 'Introduction to Phenomenology' by Robert Sokolowski is an outstanding introduction to phenomenology, providing an accessible and helpful entry point to this important aspect of continental philosophy. Unlike some introductory texts which focus on introducing the field's major thinkers and their work, Sokolowski's approach is thematic looking at phenomenology's questions and terminology rather than its historic personages. Readers interested in a more detailed and historically focused introduction to phenomenology may enjoy a series of MP3 audio lectures by John Drabinski's "Between Husserl and Heidegger" (available on-line). Overall, this is an outstanding introduction to phenomenology; it is clear, concise and helpful. I highly recommend it for all readers new to this subject as well as those that have questions in this area.
