REVIEW OF CUMMINS KTA50 G3 PARTS MANUAL

- The Giver was a decent book. Some parts were kind of cool. I liked the idea of sameness it was pretty creative. It wasn't close to as awesome as Michael Crichton or Steven Kings books but that is from a teenage boys point of view. I think girls might be more into this book than boys. But i give it a four for the creativeness.

- In my opinion,"The Giver" is a very interesting book.The thinking, the plot and the story are very special.It reminded me of the movie "The Matrix",because the story is actually the same.
