## **REVIEW OF COACHING WITH COLLEAGUES AN ACTION TO ONE TO ONE LEARNING**

- I really like the book and the series. BUT ... the publisher is outrageously overcharging for the electronic version of this book ... and others in the series. The pre-order price is \$9.99 and the

trade paper back is \$7 and it can also be ordered NEW for as low as \$4.99. There is no reason but ripping off the consumer to charge this much. There are virtually no costs in the ebook version, but there are production and distribution costs in the hardback, paperback and mass market paperback. So, if the publisher charges more than the lowest print version price, they are making a higher profit. There is no indication that the author

(or in this case, sadly, his estate) receives more royalty than for the print version. So, this means higher profits for the publisher. I have written to the publisher about this and the lack of their books in ebook format and they have chosen not to respond.

- Robert Jordan takes you on a journey into a world that will embrace you. This book provided hours of terrific reading and escape. I look forward to reading the remaining books.
