REVIEW OF WIRESHARK LABS SOLUTIONS

- If you plan a trip to the outback I cannot recommend a better book to take along. A good friend of mine goes every year to fish and I gave this book to him and he reports it is an excellent guide for those who want to experience rural Australia.
- There are full of the useful ideas and best practices in the industry for the lean deployments in the logistics field, especially for who work in Auto industry. The author does collect the good and true example to describe any lean principle able to apply to material flow process, and if you

want to have some material process
advanced & great improvements in your
company, just read it!
