characters, and story spins make it a rewarding enhancement to your shelf. So, if you're seeking a captivating read, How To Write Anything A Guide And Reference With Readings is most definitely worth taking into consideration.

REVIEW OF HOW TO WRITE ANYTHING A GUIDE AND REFERENCE WITH READINGS

- Small Gods is an imaginative and amusing tale. It twists truths, but rather than obscuring them they become more recognizable--and absurd. A fun story that is definitely worth reading.
- October 29, 2004 Alexander Hamilton Stone, a modern-day Bogart type with a sense of humor is a private investigator in the city of Memphis, Tennessee. His reputation, based upon honesty, integrity, and a twenty-five year warranty on your new roof. Penelope Harmon is the superbly beautiful devoted secretary. She constantly gives off the aura that she has had a physical relationship with Hamilton in the past and that some of it still hangs around even though nothing has ever come of their "friendly" relationship. Hamilton receives a call from Detective Felton Isaac Bradshaw summoning him to 225 Dexter Avenue. Both men have known each other since grade school. Upon arriving at the requested location, Hamilton finds Bradshaw standing next to a barely discernible corpse. The oddity of this encounter is that Bradshaw allows Hamilton to move the body around, as well as handle evidence without the crime scene techs present. This doesn't register with Hamilton until it is too late. He's struck from behind. When Hamilton comes to, he discovers Bradshaw is dead! The same day: Penny is summoned away by her mother- supposedly her forgotten stepbrother is back in town. Nicholas Sevier, a homicide lieutenant and Felton Bradshaw's partner shows up at his office. Hamilton is arrested for the suspected murder of his friend then released. By the next day the plot thickens when the widow Bradshaw asks Hamilton to investigate her husband's murder, federal agents join the investigation, an intelligent-homeless hacker gives aide, bodies are beginning to pile up, and an APB goes out, making Hamilton again a wanted man! I got such a kick out of this detective novel, so much that I think I was grinning from ear to ear. The other characters in this story are extraordinary, they completely hold your attention and are just as interesting, perhaps even more so, than the 1941 sleuth actors. If you're a mystery connoisseur, you will without doubt enjoy Snake Eyes! Reviewed by Betsie
