Whether you're a follower of heartwarming romance, exhilarating murder enigmas, or mind-bending sci-fi adventures, there's always Frances Cress Welsing The Isis Papers publication waiting to astound you.

[Black Matters](#) Africa Research and Publications

Who would have thought preparations for a March 2014 Sacred Libation Ceremony honoring one-hundred forty-eight African American women lynched in America would result in the observation melanin is worth more than gold? Dr. Frances Cress Welsing first told us the chemical melanin is produced through a process known as melanogenesis upon introduction of the chemical tyrosine to the enzyme tyrosinase. Melanin is found in such diverse places as bird feathers, animal fur, reptile scales, microorganisms, cephalopod ink, mushrooms and even fossils. Additionally, melanin is found in the hair, skin and eyes of people. Melanin is subjected to intense scientific scrutiny. Nevertheless, the highly educated people studying it had no idea melanin is worth more than gold. In June 2014 a post to the Keyamsha the Awakening blog openly declared melanin was worth \$353 a gram and \$300 a gram more than gold. Shortly afterwards, hoaxers began bombarding the blog with comments claiming "melanin thieves" were harvesting melanin from Black people. The hoax was easily falsified. The hoaxers made certain to never mention the company selling melanin extracted from the ink of *sepia officinalis*, the common cuttlefish. During the intervening years the melanin thieves hoaxers persisted in their efforts. In March 2017, the melanin thieves hoaxers launched a "Melanin Twitter bomb" involving the dollar value of melanin after publicity of black women and girls missing in

Washington, D.C. was released. Their actions exposed a frailty in their psyche. They also reveal it is possible to wipe out false information involving melanin and take the melanin challenged inferiority complex (aka racism/white supremacy) along for the ride. It then became clear the time had come to enter the fray and dispel the myths about melanin. This book completely obliterates the false narrative of melanin. Perceiving facts from a melanin-centered perspective bestows upon us an expanded awareness of the world and our place in it. It helps provide the average person a means to immerse themselves in melaninology and emerge a "melaninologist." Essentially, we get to know ourselves. To date no other path for the public to independently verify, or falsify, outlandish claims regarding melanin being worth more than gold on their own without any "guru" to guide them have been made available. At this writing, melanin is worth over \$395 a gram more than gold. In ancient Kemet (misnomered Egypt) such words were known as hekau or words of power with the ability to heal. For nearly one-hundred years, since August 13, 1920, melanin put the "B" in R.B.G. and the "Black" in Red, Black and Green as the flag of Africans, at home and abroad.. Those are hekau, also. Our Blood, Our Melanin and Africa unites us. More hekau. The Afro, official currency of the United States of Africa, also known as the African Union, is worth \$2.22. We are swathed in hekau to such an extent Mchakato Wa Uponyaji (Swahili for the process of healing) has begun. All of which indicates we are living in a new era: the era when all the generations of man can be called blessed on a planet that works for everyone. This era demands we convene the Ubuntu Convention. That plebiscite sets the stage for drafting the Ubuntu Declaration. In emulating the success of the August 1920 Universal Negro Improvement Association convention, we deliberately create the world where we intend to live. The revival of the U.N.I.A. with 12 million dues-paying card-carrying members positions the organization to have a treasury flush with over \$400 million liquid. All of which represents a quantum shift in awareness, perception and power underway as you read this. Through our own actions we bring about the total, complete, and absolute Redemption of Africa for all time.

[Iceman Inheritance](#) Vintage

A novel about a racial revolution in a futuristic nation.

[Avoid the Machines](#) Chicago Review Press

This collection of essays focuses on the construction of identity among people of Asian descent who claim multiple heritage. In their consideration of people of mixed Asian identities, the contributors to this study disrupt standard discussions.

[The Willie Lynch Letter and the Making of a Slave](#) Wesleyan University Press

"There are more than 200 negative words associated with the word black and more than 100 positive meanings or synonyms attributed to the word white. This analysis of semantics and semiotics illustrates how words are not racially neutral and can convey negative values within the African American community or any community of color. Also examined are the impact of images, from paintings of Jesus to images of Santa Claus, and how they have shaped the way blacks are viewed and how they view themselves. This is not a book on political correctness, but rather a guide to becoming more aware of and sensitive to the impact that words and images can have on the psyche."

such Eugenics, Vaccinations, Crack Cocaine, Chemtrails & Organ Trafficking. The goal is to arm the reader with proof of the Scientific War that has waged on Black America (and indigenous people around the world) using a very systematic, dangerous, and directed agenda. Other topics include Chemtrails, Genetically Modified Food, and Eugenics. The book closes highlighting suggestions for countering this war with the section entitled "Supreme Wisdom".

Whose Toes are Those? The Isis Yssis PapersThe Keys to the Colors

First published in 1934 and revised in 1962, this book gathers journalist and historian Joel Augustus Rogers' columns from the syndicated newspaper feature titled Your History. Patterned after the look of Ripley's popular Believe It or Not the multiple vignettes in each episode recount short items from Rogers's research. The feature began in the Pittsburgh Courier in November 1934 and ran through the 1960s.

The Life of Eldridge Cleaver African Amer Images

The CIA's first Black officer uses his training in organizing a ghetto army to destroy white America

Kemet, Afrocentricity, and Knowledge Hassell Street Press

In the 1960s, no black political group stood for grassroots insurgency more than the Black Panther Party. The figure who embodied the militant and controversial spirit of the Black Panther Party more than anyone was Eldridge Cleaver. Charismatic, brilliant, and courageous, Cleaver built a base of power and influence that struck fear deep in the heart of white America. It was therefore shocking to many left-wing radicals when Cleaver turned his back on black revolution, the Nation of Islam, and communism in 1975. While Cleaver seemed sincerely disillusioned with radicalism, his erratic behavior over the next two decades revealed something that had been a latent part of his psyche all along—his narcissistic megalomania. His influence declined significantly through the 1980s until he found himself back on the streets committing petty crimes. By the time he died, in 1998, he was largely viewed as a turncoat who had betrayed the cause of black freedom. How can we make sense of Cleaver's precipitous decline from a position as one of America's most vibrant black writers and activists? And how do his contradictory identities as criminal, party leader, international diplomat, Christian conservative, and Republican politician reveal that he was more than just a traitor to the advancement of civil rights? Revolution or Death answers these questions and many more by providing the first life story of one of the most notorious black revolutionaries in history. It explores the audacious dreams and spiritual transformations of the eccentric radical and places him squarely within the context of his changing

times. Author Justin Gifford explores previously unseen materials from Cleaver's extensive archive to create the story of a man far more compelling and complex than anyone has given him credit for. In a country defined by its extreme political positions on the right and left, Cleaver embodied both ideologies in pursuit of his conflicting ideals, and it was his inability to resolve

Ragus Company, Inc.

A Warrior's Tapestry is a cultural tool for parents, teachers, coaches, guidance counselors and mentors as a guide that can be incorporate into any "Rites Of Passage" program. These tools will aid in the process for black youth in their adolescent to adulthood transition from one developmental stage to the next in a healthy, centered, family community-supported way. Being made aware of the great and rich history that they will inherit through the legacy of leaders that they see in themselves. These healthy yet necessary life-affirming, and meaningful resources they will need to accompany them as they navigate through their own experiences understanding codes and cultural protocol. As they incorporate these life lessons which will serve as the the building blocks, which are fabric that will make them Who they were meant to be (mentally, physically, emotionally and most of all spiritually).

REVIEW OF FRANCES CRESS WELSGING THE ISIS PAPERS

- As the mother of a young daughter, I am always aware of how hard I must work to ensure that she sees herself as a person and not an object. I absolutely love how this book turns convention upside down and how Jane is true to herself even when everyone else--her parents included--is trying to tell her to conform. This book served as an excellent introduction to a brief discussion with my daughter as to how she can be anything she wants to be, no matter what others tell her.

- We will not go into the details of this book...dear lovers of magic,... those can be read in other reviews, other than to say it is about a family of eccentric witches, death and a haunting. More importantly, Alice Hoffman is a wonderful writer and this is a marvelous book, different, although not completely, from the movie Practical Magic (Snap Case), which we also loved and is one of the few movies we don't mind watching again and again. If you love good books and good writing, plus a bit of magic swirling amidst the normal world, then Alice Hoffman's books are a great place to spend some time. kyela, the silver elves
