*A New Hindustani English Dictionary* Cambridge University Press

A reasonably priced, quality black hardcover pew and ministry Bible featuring a large 12-point font.

*Subject Index of the Modern Works Added to the Library of the British Museum in the Years 1881-1900* Cambridge University Press

A new History of Persian Literature in 18 Volumes. Persian literature is the jewel in the crown of Persian culture. It has profoundly influenced the literatures of Ottoman Turkey, Muslim India and Turkic Central Asia and been a source of inspiration for Goethe, Emerson, Matthew Arnold and Jorge Luis Borges among others. Yet Persian literature has never received the attention it truly deserves. A History of Persian Literature answers this need and offers a new, comprehensive and detailed history of its subject. This 18-volume, authoritative survey reflects the stature and significance of Persian literature as the single most important accomplishment of the Iranian experience. It includes extensive, revealing examples with contributions by prominent scholars who

bring a fresh critical approach to bear on this important topic. This companion volume deals with two of the most under-researched areas of study in the Modern Iranian field: the Persian oral and popular literature of Iran, Tajikistan and Persian-speaking Afghanistan on the one hand; and the written and oral literatures of the Kurds, Pashtuns, Baloch and Ossetians on the other.

*A Bibliography of Western Hindi, Including Hindostani* Sterling Publishing Company, Inc.

Lists recorded usages and meaning for hundreds of proverbs arranged by key word, from "Absence makes the heart grow fonder" to "Youth must be served."

*Oxford Dictionary of Idioms* Oxford University Press, USA

Nicomachean Ethics Aristotle - The Nicomachean Ethics is one of Aristotle's most widely read and influential works. Ideas central to ethics—that happiness is the end of human endeavor, that moral virtue is formed through action and habituation, and that good action requires prudence—found their most powerful proponent in the person medieval scholars simply called "the Philosopher." Drawing on their intimate knowledge of Aristotle's thought, Robert C. Bartlett and Susan D. Collins have produced here an English-language translation of the Ethics that is as remarkably faithful to the original as it is graceful in its rendering. Aristotle is well known for the precision with which he chooses his words, and in this elegant translation his work has found its ideal match. Bartlett and Collins provide copious notes and a glossary providing context and further explanation for students, as well as

an introduction and a substantial interpretive essay that sketch central arguments of the work and the seminal place of Aristotle's Ethics in his political philosophy as a whole. The Nicomachean Ethics has engaged the serious interest of readers across centuries and civilizations—of peoples ancient, medieval, and modern; pagan, Christian, Muslim, and Jewish—and this new edition will take its place as the standard English-language translation.

A New Hindustani-English Dictionary, with Illustrations from Hindustani Literature and Folk-lore Burns & Oates

Ancient tradition suggests that this world-weary lament is the work of Solomon in old age. Casting its eye over the transient nature of life, the book questions the striving for wisdom and the truth, choosing instead to espouse the value of living for the moment. The text is introduced by Doris Lessing.

**Nicomachean Ethics** Wyatt North Publishing, LLC

Hindi is the lingua franca of multilingual India and has the Government's patronage for its promotion and propagation. This has made Hindi the most widely spoken and the most powerful language of India.
