REVIEW OF NEMESIS FBI THRILLER CATHERINE COULTER

- Before commenting on Kerry's book...lets first separate the FACTS from the SPIN about Kerry so that we can 'Objectively' judge the DNC Presidential nominee!!! BUT, do NOT bother to read the following FACTS (versus SPIN) unless you're

'really' interested in
thee TRUTH !!!

=====
=====
=====
=====

But 1st, altho I'm not
going to dwell on the
suspicion of 3 Purple
Hearts (from separte
events) within only 4
months. (But, I am
REALLY curious as to
why kerry still refuses
to sign "form
#180"...and release his
combat medical
records for public
observation...WHY?!).

=====
=====
=====
=====

Now, as to FACTS
about what kerry has
really said and done
since VietNam...that
everyone should be
aware of!: -----

--- His liberal record is
clear: from his anti-

Vietnam war activities
(based upon
exaggerated anti-
American claims); To
his support of the
brutal Sandinista
regime in Nicaragua
(as he openly
underminded Reagens
attempts to confront
them); And also his
participation in the
Soviet created and
supported "nuclear
freeze"

movement...allalong
John kerry has most
always been on the
'other side'...vigorously
campaigning for anti-
American causes! - - -

----- Indeed, had
he succeeded in his
various attacks on the
interests of his/our
country, a defenseless
U.S. would have faced
a grim future of living
under Soviet nuclear
blackmail! Plus, the
people of Nicaragua

would still be captives of communist dictatorship...(Just as the people of South VietNam have had to suffer under Communism, mostly due to a devided America as a result of all the anti-war protests here at home!). -----

 - Maybe ypou just dont want to believe the above...so, lets proceed with thee FACTS (you can research for yourself!).=====

=====

=====

=====

=====

=====

==== Tragicallly, kerry succeeded brilliantly in one of his signature campaigns, helping to condemn the people of South VietNam to the horrors of life under a communist dictatorship...which

today still honors kerry as one of 'THEIR' war heroes! As he preens himself in the glow of misplaced admiration for his 'alleged' heroism during his (ONLY) four months in combat in Vietnam, he carefully shies away from any real discussion of his sordid anti-American activities. He doesn't like to discuss how he 'slandered' his comrades still fighting in the jungles of Vietnam, calling them war criminals and baby killers. (Nor will he sign form #180 that exposes FACTS related to his so many medals in such a short period of time... that required little IF any hospitilizin!). -----

 ----- For kerry's valiant service on behalf of the

Communist Vietnamese government, Kerry was awarded a special commendation as a "Hero of communist victory in 1983"... (while he was Lt. Governor of Massachusetts)! Kerry's contribution towards THEIR victory over 'us' was cited by General Vo Nguyen Giap, (the military commander of North Vietnamese forces); when in his 1985 memoir Gen. Giap wrote that: "IF it were NOT for the disunity created by stateside protests, Hanoi would have ultimately surrendered." Earlier, the N. VietNam military leader also said that: "We were losing and demoralized...But; then our political leaders advised that America was NOW devided, and thus with patience and persistence we could eventually prevail!". (Well, hanoi kerry was 'THEIR' field general back here in America...helping to devide America which lead to our Defeat! For lets NOT forget that America never lost any major battles during the war...which we should of won!). Thus, kerry earned THEIR award, having aided and abetted OUR enemy, as he actually helped to prolong the war which lead to even more American casualties! Today, a photo of Kerry being greeted by Do Muoi, General Secretary of VietNams Communist Party, is displayed in a room dedicated to his anti-war protesters in the Vietnamese Communist War Remnants Museum in

Ho Chi Minh City.
 =====
 =====
 =====
 =====
 Next, during the Reagan administration, Kerry got another chance to turn on his country. In the fall of 1983 the KGB launched an all-out "peace offensive" via a welter of front organizations in the U.S. and Europe. A nuclear freeze at that moment would have meant permanently freezing the Soviet ADVANTAGE in troops and weapons... precisely the Kremlin's main objective! - - - - -
 - - - - -
 - - - - - So, as Kenneth Timmerman wrote in "The French Betrayal of America: "...in the United States "the nuclear freeze movement won the support of key (liberal)

Democrats in Congress as well as that of political gadfly Jesse Jackson. Jackson's Operation PUSH joined forces with the Communist Party USA AND the 'Soviet-backed' U.S. Peace Council...in demanding nothing less than the unilateral dismantling of the U.S. Military!" ---

 ----- - - -----For those to young to remember, the entire nuclear freeze moment was a Soviet initiated and financed attempt to undermine President Reagan's nuclear strategy, which even then was beginning to drive the Soviet Union into an arms race that it could NOT win, and would eventually bankrupt them! UN- fortunately, kerry also reported for duty in that movement...(once

again undermining American efforts to confront a brutal enemy!). -----

 - -Then in 1985, after elected to the Senate (with the help of the nuclear freeze PAC), kerry spoke at a nuclear freeze conference in Geneva. There he pandered to European pacifists with the absurd claim that: "IF it were not for the freeze movement, I'm confident that America would not be in Geneva today talking with the Soviets"...(clearly undermining Reagens efforts!). Well, as an early backer of the nuclear freeze movement, kerry had climbed into bed with European leftists who (wrongly) denounced Reagan as a 'reckless cowboy' for daring to counter Soviet SS-20 missile emplacements in Eastern Europe with U.S. Pershing IIs...(which helped us WIN the Cold War...despite kerry's misguided efforts!). ---

 ----- Thus, true to his liberal based Appeasement nature..... In 1985 Kerry introduced the Comprehensive Nuclear Freeze Bill, and, also sponsored two amendments to freeze the Strategic Defense Initiative (related to our nuclear development). All of this was in complete opposition to the sucessful policies of the Reagan White House, which was trying to pursue an aggressive strategy of 'keeping up the pressure' on the Evil Soviet Empire. But,

History shows that Reagan's strategy ultimately succeeded, despite Kerry's, And, the KGB's efforts to derail it! - - - - -

- So, IF kerry's liberal based Appeasement legislation had passed, it would have completely undermined the valid policies being pursued by Reagens White House, and thus prolonged the Cold War (very likely to this very day!)! Thus, had kerry been in charge of fighting the Cold War against Communism, the Soviet Union would still exist. Once again kerry backed the "other side" at one of the most crucial moments in the Cold War!

=====
=====
=====

=====
So, this is the man whom the American people should allow to conduct the War on Terrorism?!. -----

----- Throughout his career Kerry's attitude towards communism has been as NAIVE as his current approach to Terrorism. (Plus, lets not so quickly forget the absurd statement kerry made before the senate in 1971: "that we can NOT confront Communism all around the world!". Well, kerry's judgremnt was wrong then...just as it's wrong now!). Thus, it seasy to see why that this man now backed by the Communist Party in America (as well as abroad) !

=====
=====
=====
=====

Thus, is it any wonder that Communist terrorists, (such as the Sandinistas in Nicaragua), could always count on his liberal gullibility...as when Daniel Ortega met with Kerry in Managua. Back then Ortega promised to obey the Contadora Act for Peace and in Central America; But, just a few days after meeting with kerry he flew off to Moscow to get a check for \$200 Mil from his Soviet masters. Yet, incredibly, even as Ortega was pocketing his Soviet check kerry was on the Senate floor telling congress that they didn't need to support the Contras since Nicaragua was now free of Soviet influence (based upon just a false promise)! --

----- For a full account of Kerry's shameful conduct see Dave Eberhart's May 20, 2004 story in NewsMax.com! See thee FACTS yourself about how kerry took Extreme efforts helping the Communist Ortega, and thus Undermining Reagens proper (and successful) efforts trying to confront Communism! -----

----- Well, it's no wonder that Kerry has been endorsed by Tomás Borge, the terrorist-friendly Sandinista leader, (notorious for his brutality when his old communist regime still ruled Nicaragua)?!

=====

=====

=====

=====

UN-fortunately, kerry reminds one of the

naive Neville
 Chmaberleign whom
 lulled the world into a
 FALSE sense of
 security based upon
 his FAILED policy of
 Appeasement; as he
 paraded around Europe
 hailing "Peace in OUR
 time" , after every
 (FAILED) meeting with
 Hitler...(which only
 allowed him to grow
 stronger during thee
 time that Hitler's rise
 could of been PRE-
 Empted!)

=====
 =====
 =====
 =====

Well, like Neville,
 kerry's naive
 Appeasement based
 'Liberal' attitude was
 WRONG before...just as
 it is Wrong NOW ! -----

 ----- So, this is
 the man whom the
 American people
 should allow to conduct
 the War on
 Terrorism?!

- If you are interested in learning about how to conduct option analysis, this is not the book for you. The book never provides you with the details on how to conduct the valuations described in the examples. Instead, they use over 100 pages to reiterate the same points they describe in the first 5. Furthermore, there are plenty of mistakes in the text to add to your confusion. In short, this book is a waste of time and money.
