### REVIEW OF DIGITAL COMMUNICATION LAB USING MATLAB

- Against her husband's wishes, Wanda takes a three week assignment in Africa. She convinces him this trip will secure her career and that she will be back before he misses her. But on the

second leg of her flight, the plane crashes in Kenya and her body is not found. Steven appears devastated, but just days after the memorial service, Wanda's best friend offers him more than a comforting shoulder, and he takes it. Wanda survives the crash and is discovered days later, near an African ranch, she has suffered extensive injuries and has amnesia. Ahmed, the owner, who has been comfortably widowed for three years, does not want her in his house. He realizes this mystery woman could test his resolve, but his meddling aunt has other plans. Wanda is also very taken with him, and when the lush exotic countryside of Kenya captures her heart, so does Ahmed. With him she shares a passion she'd never experienced with Steven. In Los Angeles, a mere six months after the plane crash, Wanda's best friend and her husband are planning to marry. But, Wanda regains her memory before the scheduled wedding and returns to L.A. Since her life has changed dramatically, she must make decisions she

never imagined having to make. What will she do about her marriage? And can she forget Ahmed? LAST BRIDE STANDING shares a crazy, twist of fate story about unplanned events that change your life. There are several secondary stories going on here and occasionally they slow the pace of the primary story. A plus to this story would have been more emotions for some of the characters and more depth to their personal drama. With that said this is still a story that will hold your interest. - I choose this book and was so amazed. This is such a great family book and shows the true meaning of happiness! The characters were so funny especially Matilda's father, Mr. Wormwood. I couldn't put the book down! I would recommend this book to anyone who likes humor. I would also recommend another book by Roald Dahl called James and the Giant Peach.
