REVIEW OF THE POSTHUMOUS MEMOIRS OF BRAS CUBAS

- All of Napoleon Hill's books are a "must read"! This one as well as Think and Grow Rich, which is the "un-disputed champ" of success books! I love all of his books, period! END
- It's the kind of book to read when you wish to relax and contemplate life, your place in the world, and get over yourself. It can help you believe in yourself. It's old, but it's wise. I like keeping it around to read when I'm feeling low.
