So what are you awaiting? Begin exploring the globe of Journeys Practice Grade 2 Answer Key PDF downloads today and make use of the riches of info within your reaches. **Download Journeys Practice Grade 2 Answer Key PDF cost-free** and enhance your discovering experience!

## REVIEW OF JOURNEYS PRACTICE GRADE 2 ANSWER KEY

• Reading these reviews has been a comfort to me, since I waited almost 12 years for this book, and found it so disappointing. I'm glad I'm not the only one! That having been said, I have to jump to Ms. Auel's defence. First of all, no book could have lived up to the fanfare and expectations of those of us who have read and adored the first four books. (Especially those of us who spent all those years dreaming up our own versions of what happens next!) Just because she didn't include all of the action I hoped to see, doesn't mean Ms. Auel has lost interest or failed to write the book she wanted. Secondly, I spent all day re-reading SOS and realized that several parts were excellent. (And anyone who thinks this book was ghost-written clearly didn't pay enough attention to those parts!) Chapters 2 through 10 are great. So are some of the scenes at the Summer Meeting. There are at least 300 pages of terrific reading. The only problem is, the book is 741 pages. There are only two serious problems with the book: 1. The endless descriptions of the landscape and repetitions previous material. 2. The really great characters and storylines Ms. Auel introduced--then didn't take anywhere. I could easily skip the pages of boring description, but what I can't forgive is the way she set up Brukaval as a stalker, Marona as a dangerous villainess and Laramar's whole abused, dysfunctional family that Ayla was supposed to save--and then left us all the lurch. I could write reams of fan fiction about all that stuff, but I'd have preferred Ms. Auel do it for me. That's why I was in the bookstore on April 30 as soon as I got off work. I will probably do the same when book 6 comes out, partly out of hope that it will be back to the level of the first 4, and partly out of respect for the author who has written some of my favorite books of all time...

• From starting to end, I couldn't put it down. Very good composition, did very well with her research. Excellent book. I would highly recommend it!
