And if you ever before need help discovering the excellent publication, our educated staff is right here to give tailored recommendations.

REVIEW OF CORPORATE FINANCE 9TH EDITION ROSS TEST BANK

- When the second season of Babylon 5 premiered on television, viewers were shocked to learn that Commander Jeffrey Sinclair (played by Michael O'Hare) was permanently reassigned from Babylon 5 and became the first Earth ambassador to the planet Minbar. Since then one question kept bugging every B5 fan, "What happened to Commander Sinclair during his two years tenure on planet Minbar?" That question was partially answered towards the end of the third season when he made a memorable and final appearance in the outstanding two-part episode entitled, "War Without End". This was one of the most highly anticipated episodes because it is where he set out to fulfil his important destiny. However, this book goes into further details on how Sinclair adjusted to life on Minbar while dealing with the double burden roles of ambassador and leader of the Rangers. As ambassador, Sinclair blends into the Minbari lifestyle and learns everything he can about their customs and society while gaining some new friends (and enemies) in the process. But he faces a bigger challenge as the leader of the Rangers when an alien race known as the Shadows threatens the galaxy with its super high tech ships and weapons, in an attempt to cleanse the universe of anyone is not like them. The book is a fascinating read because it immerses the reader on the insights of Minbari life, culture, religion, philosophy, and most importantly, the internal workings of the political system structure of the Minbari Federation government. One of the most interesting and likable characters is Marcus Cole, a ranger under Sinclair's command. He plays a

central role in the story who begins to admire Sinclair and remains very loyal to him. The author, Kathryn M. Drennan (the wife of B5 creator J. Michael Straczynski) writes in an eloquent and precise manner in which the characters resemble their counterparts on the show. Unlike the Star Trek novels, all the Babylon 5 books are canon and this one is no exception. Ms. Drennan constantly stresses the horrid and harsh realities of war and that it is not a viable solution. The only salvation is the pursue of peace at all cost. It's a story about a man who finds his true self amidst an alien world and is force to choose between his lover and duty. Hence, Sinclair begins to truly understand the awful truth of what it means to be a real leader. You'll enjoy this book even if you're not a B5 fan. A must read.

- I read the Chinese version of this when I was in high school. I don't think I will be exaggerating if I say that Louis Cha is probably one of the most widely read Chinese writer in the 20th century. You may stumble across a lot of Chinese who haven't read Dreams of a Red Mansion, but they have read Cha. Mr. Cha is very knowledgeable of Chinese history, literature and geography, and has managed to incorporate much of his knowledge into his works. Therefore, if the reader is interested in and somewhat familiar with Chinese culture, you will find the reading more enjoyable and not just an adventure/martial arts story. His characters will take you through tradition, culture, poetry, and landmarks. Verses of famous poets from hundreds to 2 to 3 thousand years ago are quoted by the characters at times, quite appropriate to their situation in the novels. I have read somewhere that the Chinese government is now using excerpts

from Cha's novels in textbooks. I really hope there will be more translations of other works out soon for everybody to enjoy. Some people will dispute whether the "Deer" book is the best. Almost all of Cha's 4-volume sets are extremely popular. Many claim that his third book (can't translate the name) is the best.
