LAST IDEAS

On the whole, our company believe that The Princessa Machiavelli For Women Harriet Rubin is worth a read, despite some minor imperfections. The distinct narration design, relatable personalities,

and plot twists make it a beneficial addition to your shelf. So, if you're trying to find an exciting read, The Princessa Machiavelli For Women Harriet Rubin is certainly worth thinking about.

REVIEW OF THE PRINCESSA MACHIAVELLI FOR WOMEN HARRIET RUBIN

- I recommend this one for general conversational goodness as well as foundations for active speaking practice. Dale makes no bones about speaking: you can read all the books you want; unless you take EVERY OPPORTUNITY TO PRACTICE - you just won't improve much. I've made a couple of commitments to build my speaking confidence (not directly suggested in the

book, but based off of the lessons)... such as (1) using people's names in retail stores (they have name-tags for a reason), (2) making an honest effort to say what's on people's minds (but spin it good-like) when public shenanigans occur, and (3) small talk more in lines, stores, et cetera. So far so good! It's getting easier and easier! I still suck at it, but now I care less about looking a fool and am working on technique! There are some great general take-aways, plans for active speaking, and some little "a-ha"-esque nuggets that will make this book worth your while... especially if you found for \$3 @ Half Priced Books like

me. :)The book was finished up by his wife - and a fine job it is. Check it out - and start practicing speaking soon!

- Work, meetings, the gym, errands -- where in the blue blazes would I find time to cook a home-cooked meal? This book not only makes it semi-possible, it makes it totally easy. The dishes I have tried were incredible and just as simple as the cover said. The only thing I would suggest is that maybe salads or side dishes could be suggested to go with each entree. This would save even more time for busy cooks. But that really does not detract from what is a wonderful time saving cookbook.
