REVIEW OF RTA POLO 6N2

RTA SCENIC 1 PHASE 2 RTA PEUGEOT 207

- I have all three films on the extended DVD edition, loved them, so I HAD to read the books!**INTRODUCTION:** The Lord of the Rings was released in the 1950's, and it took everyone by surprise. With many loveable characters, a great story, a great new fantasy world with many place to explore, and the rich, moving storytelling were nothing people have ever seen before. Now with the books, video games, fan clubs, and three great movies, LOTR is easily one of the best stories of all time.**BASIC PLOT:BOOK V:** Aragorn, Legolas, Gimli, Merry, and Pippin, go to the capital city of Gondor, Minas Tirith. There they meet the Steward of the city, Denathor, who is

Boromir and Faramir's father. They must fight a huge army of Orcs and protect the city. BOOK VI: The climax and resolution of the book. Sam goes to rescue Frodo, and they march toward Mount Doom to destroy the Ring. I won't tell you what happens at the end, but it's a great ending. OPINION: Over 450 pages, but beyond pg. 311 are just optional appendixes that give great info to the plot. This is one great and exciting

book, and I noticed in the movie they forget to tell about the battle in the Shire at the end. A must read! There are many more books besides The Hobbit and The Lord of the Rings about Middle-earth. I suggest you to read `em all!

- Absolutely fantastic! Wonderfully read and a complete enjoyment to listen to. I will be buying the rest of the series for sure.
