So why wait? Beginning downloading and install 0615791255 UUS60 PDF today and experience the simplicity and convenience of accessing a wide variety of beneficial papers at your fingertips.

REVIEW OF 0615791255 UUS60

- It is all too obvious: Berman tags Muslim fundamentalist movements as "Communist" and "Nazi" and uses that to justify the brutal invasion and occupation of defenseless countries like Afganistan and Iraq. While Saddam's regime in Iraq was certainly brutal, it was not nearly as brutal as the USA/UN sponsored sanctions regime or the two Bushes' criminal wars. Berman does not

once mention either the sanctions or the Allied war crimes in Iraq. The war, as predicted, has fueled anti-Americanism and bolstered fundamentalist movements, and terrorist attacks against United States citizens are at a 20-year high. So then, why does Berman ignore the facts, that the Iraq War is bad for the Iraqis, and bad for the Americans? Simply because the facts point in the wrong direction. So he prefers to confine himself to the lofty areas of intellectual thought, and support war based on the shortcomings of leading Arab scholars. But ignoring the facts still is not enough, Berman needs to rely on unnamed sources (there are no footnotes) and distort the arguments of others to support his cause. His discussion of the Israel-Palestine conflict is heavily biased in favour of Israel and relies on slight-of-hand and outright deception. He claims that Arafat

terminated negotiations, but it was in fact Barak (in Taba 2001). Like every pro-war intellectual he slanders Chomsky by claiming that Chomsky ignores the evils of 9/11, Milosevic, Osama bin Laden, and Saddam Hussein. Whereas in fact Chomsky has repeatedly condemned the 9/11 attacks, Milosevic, bin Laden and Saddam. He also completely misrepresents the writings of Saramago and Breytenbach, and basically anyone he quotes in this book. If you really want to know the real story of the Iraq War, look up Tariq Ali's book. This one is just a waste of money.

- I did not realize that the copy of this book was a very small book. I expected the regular size paperback which I own of my own copy. The print in the book I received is also very small. I bought it for a friend and good thing she is young. She has good eyes. I was disappointed.
