REVIEW OF DOING THE BEST I CAN FATHERHOOD IN INNER CITY KATHRYN EDIN

- I first read this book about 30 years ago and fell in love with the Whiteoak family and their history. There are about 18 books in this series, I think. I looked forward to each one. If you enjoyed "Downton Abbey", "North and South", "Brideshead Revisited", or "Pride and Prejudice" you probably will also love the story of Jalna and the people who come to live there. I wasn't sure that I would be able to enjoy this as my literary tastes have changed, but it's an enjoyable and comfortable read. While the drama isn't quite so shocking in the first book, I know it will develop as the story continues. I can't wait for the next installment.

- At first I read this play because it's on the recommended reading list of English Honor, but dain this is good stuff. I hate it that most of the other high schoolers are gonna miss this great piece of work. Since then I read almost all of Miller's plays and they are all good if not fantastic. Miller brings humanity and morality to literature, and makes it interesting and exciting at the same time. I guess that's why he's great.
