## **REVIEW OF NSW YEAR 10 SCIENCE TEST PAPERS**

- I was just introduced to Karla's books this weekend and I'm hooked! The message she portrays is so needed in our day and age...she encourages us to focus on Jesus. Her illustrations are so beautiful, they take me away for the while I'm reading the book. The ideas that she uses, such as leaving room for the reader to pen her thoughts, the envelopes for notes to the reader, and the personal welcome from Karla, all make for a wonderful, uplifting experience! She is truly God inspired! Keep up the good work, Karla!

- I was first told about this book from a friend who read it with her junior high daughter. I read it twice on my own before I read it with a 7th grade boy whom I tutor. This is a boy who struggles through school but found this book exciting. He even finished it on his own. This is a great feat for him. The book really made us both think and got my 7th grade tutoring student excited about reading.
