REVIEW OF SPORTS PSYCHOLOGY CONCEPTS AND APPLICATIONS 7TH ED

RICHARD H COX

- I can't wait to read the original book. I have only read the rewrite and I am curious to see how it stacks up. I'll be sure to let you know!

- JM Schuett captured the book's story succinctly while not spoiling other surprises in the book. It is a very quick and easy read. I didn't find Jennifer's character all that real; mostly because she didn't really spend a lot of time with her sick grandmother in the hospital who supposedly was the world to her. I don't think it took away from the overall story, but it did keep playing on my mind. Why was she having so much fun while her grandmother lay in the hospital; hence the 3 stars.If you

enjoy love stories it's Sam wrote to Jennifer
worth reading. I and the other story line
enjoyed the letters in the book.
