The Simple Truth Pen and Sword True Crime

"A tense and beautiful tale about the monsters we make and the memories that haunt us." --Kate Alice Marshall, author of *I Am Still Alive* and *Rules for Vanishing Rose* Colter is almost home, but she can't go back there yet. When her car breaks down in the Nevada desert, the silence of the night is broken by a radio broadcast of a voicemail message from her best friend, Gaby. A message Rose has listened to countless times over the past year. The last one Gaby left before she died. So Rose follows the lights from the closest radio tower to Lotus Valley, a small town where

prophets are a dime a dozen, secrets lurk in every shadow, and the diner pie is legendary. And according to Cassie Cyrene, the town's third most accurate prophet, they've been waiting for her. Because Rose's arrival is part of a looming prophecy, one that says a flood will destroy Lotus Valley in just three days' time. Rose believes if the prophecy comes true then it will confirm her worst fear--the PTSD she was diagnosed with after Gaby's death has changed her in ways she can't face. So with help from new friends, Rose sets out to stop the flood, but her connection to it, and to this strange little town, runs deeper than she could've imagined. Debut author Rebecca Mahoney delivers an immersive and captivating novel about magical places, found family, the power of grief and memory, and the journey toward reconciling who you think you've become with the person you've been all along.

Jack the Ripper HarperCollins

A portrait of the wife of the evangelist, Billy Graham, recounts Ruth Graham's impoverished childhood in China, her religious development, and her influence on her famous husband

Jack The Ripper Createspace Independent Publishing Platform

West Allis, Wisconsin, a first-ring suburb of Milwaukee and home to the Wisconsin State Fair, used to be a factory town. Then the factory closed, just like factories in other towns all over America. Over the next twenty years, the city was transformed. Today, people call it "Dirty Stallis." Profane and yet preoccupied with the sacred, dealing with religious questions amidst the decay of a post-industrial landscape, the stories in Paradise Theater tell the tales of men and women struggling to hold their lives together as

their city crumbles down around them. From aimless teenagers killing time and brain cells, to mothers and fathers lost in a world devoid of values and supports, Jack Ravenwood offers up a portrait of working-class America after the work left the country.

The Final Solution Lennex

Examines the century-old series of murders that terrorized London in the 1880s, drawing on research, state-of-the-art forensic science, and insights into the criminal mind to reveal the true identity of the infamous Jack the Ripper.

Busting the Ripper CSIRO PUBLISHING

In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "Portrait of a Killer: Jack the Ripper - Case Closed." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

Jack the Ripper Penguin

Patricia Cornwell turns her trademark skills in meticulous research and scientific expertise to the case of Jack the Ripper. Using modern forensic investigation to re-examine the evidence she is able to reveal the true identity of this elusive madman.

Serial Killer Fanatics - A very unique coloring book has arrived. You have never seen Jeffrey Dahmer, Robert Berdella or Ted Bundy like this. Who said coloring books were exclusively for children? There are monsters hiding in the darkness, and yet for some reason, our curiosity and fascination can't help but attract us to them - our minds wishing to discover their philosophies and our interest growing as we learn more of them. For many of these murderers, death became more than just a crime: it became an art. An art which they practiced and enjoyed, like the painting of a portrait, or the coloring of a book just like this one. In The Serial Killer Coloring Book we shall provide you with:- 38 of the most famous serial killers brought to you in a way you've never seen them before.- High-resolution images which will allow you to fill in the smallest details and achieve the most realistic results.- Single-sided pages, with each image given its own page to save you from worrying about the colors bleeding through and damaging your next serial killer's image.- Very accurate symbolism to each killer, providing context to their atrocious crimes and creepy stories.- The possibility of a fantastic gift for your friends, family and loved ones who love the True Crime genre. So, what are you waiting for? Discover this entirely fresh take on coloring books and tackle anxiety and stress in an

incredible new way with The Serial Killer Coloring Book.

In His Own Words, The Confession of the World's Most Infamous Killer Scholastic Inc.

Certain criminal cases have a life of their own. Despite the passage of years they continue their hold on the public imagination, either because of the personalities involved, the depravity of the crime, doubts over whether justice was done, or the tantalizing fact that no one was ever caught... Now John Douglas, the foremost investigative analyst and criminal profiler of our time, turns his attention to eight of the greatest mysteries in the history of crime, including those of Jack the Ripper, The Boston Strangler and JonBenet Ramsey. Taking a fresh look at the established facts, Douglas and Olshaker dismantle the conventional wisdom regarding these most notorious of crimes and rebuild them - with astonishing results.

Lord of the Flies Simon and Schuster

The career of playwright Joy Sinclair comes to an abrupt end on an isolated estate in the Scottish Highlands when someone drives and eighteen-inch dirk through her neck. Called upon to investigate the case in a country where they have virtually no authority, aristocratic Detective Inspector Thomas Lynley and his partner, Detective Sergeant Barbara Havers, grapple for both a motive and a murderer. Emotions run deep in this highly charged drama, for the list of suspects soon includes Britain's foremost actress, its most successful theatrical producer, and the woman Lynley loves. He and Havers must tread carefully through the complicated terrain of human relationships, while they work to solve a case rooted in the darkest corners of the past and the

unexplored regions of the human heart.

Art, Science and Stories from Paruku Simon and Schuster

"Agatha Christie must surely be the most imitated author in the entire canon of literature - what greater acclaim could there be?" -Peter James Paul Renauld sends for Hercule Poirot, who arrives to find his host dead in a newly dug grave. Can the master sleuth sort through a bewildering array of clues and outfox an unfriendly police officer to find the almost perfectly hidden identity of the murderer? Agatha Christie's legendary sleuth Hercule Poirot returns only to find his would-be employer slain, too many suspects, and his refined investigative technique dismissed by the detective leading the local police investigation. The two butt heads, competing to solve the crime until a second corpse turns up, slain in the exact same fashion as the first. It takes Poirot's razor-keen insight and deep knowledge of the history of crime to tie both killings to another as he brilliantly works toward an unexpected conclusion. Upon its original publication in 1923, the novel was greeted with great acclaim as a superbly structured mystery that was all but certain to baffle readers. This, the second investigation of Hercule Poirot, follows *The Mysterious Affair at Styles*, which is also available from Mint Editions. With an eye-catching new cover, and professionally typeset manuscript, this edition of *Murder on the Links* is both modern and readable.

An Adult Coloring Book Full of Famous Serial Killers Penguin

Stewart Evans is a policeman whose hobby is collecting true crime ephemera. When a second hand bookseller rang to ask him if he would be interested in a collection of letters from the Special

Branch, he had no idea of the sensational revelation they would contain. One of these letters supplied an astonishing piece of information not contained in the decimated Scotland Yard files. The police had actually arrested and charged an American with the Ripper murders, but he escaped and disappeared in America. The Ripper murders ceased. The book reveals for the first time the identity of Jack the Ripper.

files at your fingertips.

Jack the Ripper - Case Closed Simon and Schuster

The solution is finally revealed to the most notorious crime story of all. The person identified in this book as the killer of five women in London's East End in 1888 has never before been named a suspect in more than 100 years of intense speculation—and yet clear evidence connects him to three of the five victims, and circumstantial evidence connects him to the other two. Tony Williams did not set out to find Jack the Ripper, but when researching his family history he uncovered incontrovertible evidence that his illustrious ancestor John Williams—still venerated today, and an eminent man in his field—is indeed Jack the Ripper. Together, the authors prove not only that their suspect had links with the victims, but that he was in Whitechapel at the same time as the crimes were committed, and he had the knowledge and the skills which the nature of the murders required. At last, the legend and myths surrounding the identity of Jack the Ripper have been brought to an end.

Desert Lake Penguin

Rory, of Bâenouville, Louisiana, is spending a year at a London boarding school when she witnesses a murder by a Jack the Ripper copycat and becomes involved with the very unusual investigation.

15 Famous Serial Killers True Crime Stories That Shocked the World Yale University Press

Two Ripper experts examine unsolved murders—from Great Britain and around the world—that occurred during the era of the

notorious killer. The number of women murdered and mutilated by Jack the Ripper is impossible to know, although most researchers now agree on five individuals. These five canonical cases have been examined at length in Ripper literature, but other contemporary murders and attacks bearing strong resemblance to the gruesome Ripper slayings have received scant attention. These unsolved cases are the focus of this intriguing book. The volume looks at a dozen female victims who were attacked during the years of Jack the Ripper's murder spree. Their terrible stories—a few survived to bear witness, but most died of their wounds—illuminate key aspects of the Ripper case and the period: the gangs of London's Whitechapel district, Victorian prostitutes, the public panic inspired by the crimes and fueled by journalists, medical practices of the day, police procedures and competency, and the probable existence of other serial killers. The book also considers crimes initially attributed to Jack the Ripper in other parts of Britain and the world, notably New York, Jamaica, and Nicaragua. In a final chapter, the drive to identify the Ripper is examined, looking at suspects as well as several important theories, revealing the lengths to which some have gone to claim success in identifying Jack the Ripper. "When it comes to the meticulous details of a murder, the minute-by-minute examination of a crime and its policing, Messrs. Begg and Bennett are the very best in the true-crime genre."—Judith Flanders, Wall Street Journal

Waterbrook Press

"It's either a genuine confession by Jack the Ripper, or it's an extraordinary novel...Only you can decide."—Paul Begg, author of

Jack the Ripper: The Definitive History In the Whitechapel neighborhood of London in 1888, five women were horribly mutilated and murdered by the infamous killer, Jack the Ripper. Though there were many suspects, the monster was never caught. This recently discovered memoir from the 1920s introduces a new suspect: James Willoughby Carnac, a little-known figure who claims to have been the Ripper. Carnac describes the events and geography of Whitechapel in 1888 with chilling accuracy, including details of the murders that appear to have been unavailable to the public at the time. He presents a credible motive for becoming Jack, and, for the first time ever, a reason for ending the killing spree. Ultimately, you, the reader, must decide if this is simply one of the earliest imaginings of the case—and a groundbreaking literary addition to the Ripper canon—or if it is the genuine autobiography of Jack the Ripper himself. "A text that will no doubt be debated for years to come."—Alan Hicken, Montacute Museum, Somerset, England "Intricate and creepy."—The Daily Express (UK) "Easily read and worth it for the ending."—Kirkus

Jack the Ripper ; Case Closed Harper Collins

Jack the Ripper is the ultimate cold case. The Whitechapel Murders of 1888 have remained unsolved for over 130 years and hundreds of theories have been suggested as to the killer's identity. Despite numerous books claiming to unmask the infamous Victorian villain, none have come close until now. The authors of this book are all members of H Division Crime Club, the world's largest body of experts on the Jack the Ripper murders. They have all come together for the first time in history

to deliver their own personal research into each suspect and to finally nail down the identity of the man know as Jack the Ripper. Taking the original police reports, eye witness accounts and research by the world's leading authorities into account, we ask two crucial questions: Who did the police suspect at the time? Who was in the area to commit the murders? Using 21st century profiling techniques, it is time to reveal the truth behind the men most likely to have been Jack the Ripper. With each chapter discussing a separate suspect in detail, this book is the ultimate guide to solving the world's greatest murder mystery.

The Serial Killer Books Bantam

He was young, handsome, highly educated in the best English schools, a respected professional and a first-class amateur athlete. He was also a serial killer, the Victorian equivalent of the modern-day Ted Bundy. His name was Montague Drutt—also known as "Jack the Ripper." His handiwork included the slaughter of at least five women of ill repute in the East End of London—an urban hell where women sold themselves for a stale crust of bread. His likely motivation for the location of his murders was to call attention to the atrocious conditions in which East Enders lived, just blocks from upper-class London's wealth and opulence. This book, compiled from years of meticulous research, presents the thinking behind the murders, the man behind the moniker, and the circumstances behind his demise. In *The Escape of Jack the Ripper*, readers will learn: How a blood-stained Drutt was arrested yet bluffed his way to freedom by pretending to be a medical student helping the poor How Drutt confessed to his cousin, an Anglican priest How Drutt's family placed him in a

private, expensive asylum in France, only for him to flee when a nurse blew the whistle. How Druiitt's identity was concealed by his well-connected friends and family, thus hatching the mystery of Jack the Ripper. This fascinating story is revealed fully for the first time with many never-before-published photographs, including the newly discovered, last-known image of Druiitt. The serial killer of 1888 was not poor, not foreign, not unknown. He was M.J. Druiitt—the best of Britain.

REVIEW OF PORTRAIT OF A KILLER JACK THE RIPPER CASE CLOSED PATRICIA CORNWELL

- The spare, lucid prose in this remarkable little book, offers a lyricism and richness of character and story that I have rarely come across. This is one that tugs at one's heart and mind. The beauty of this book is really something to cherish.
- This book heralds another delightful marine adventure by Norton, who has written two other beautifully crafted, and wonderfully humorous, books about the characters he has met, and some of the adventures he has had, in a lifetime as a marine biologist. It starts out with his memories of his childhood home, on St Mary's Island, Northumberland, before whisking us away to a series of globally-based adventures: Devon, via Liverpool to the island of Anglesey, North Wales, to his first encounter with the Port Erin Marine Laboratory, where... 'I was the least famous marine biologist ever to work on the Isle of Man'. From Port Erin

we are whisked over the oceans to Lanzarote, in the Canary Islands, where by chance, I happened to read the book. How changed the Canaries are today from the time when the party of "least famous marine biologists" were met on the quay by Don Mariano López, local dignitary and ex-mayor, who arranged for their luggage to be taken away by donkey cart while inviting the all-too-rare visitors to join him in an eight-course lunch, followed by coffee and cognac. As one follows his ocean-bound circumambulations, back to Scotland, and the Scottish Islands, to Lough Ine, in the Southwest of Ireland - where he based his book, *Reflections on a Summer Sea* - to San Juan Island, Washington, then the Monterey California of Steinbeck's day, every journey is imbued with characteristic charm and wit, and all the while enlivened by his sharp observation of the idiosyncrasies of human nature. His odyssey takes him a good deal further than I have room to describe, but permeating the exhilarating narrative of courage, luck, humor and adventure, is a chronicle of change, painful to witness in the working lifetime of one man. We observe, by degrees, the progressive overfishing and pollution of the oceans, and we share his dismay over the loss of a more innocent world. And, finally, we embrace Professor Norton's caretaker role in the closure of the Marine Laboratory in Port Erin, a victim of the financial constraints that have afflicted many university centers in the UK in the first years of the New Millennium.
