## REVIEW OF AY PAPI 1 15 GIGAGO

- Until I reread it, this year, I had forgotten how funny and perceptive this play was. I love the characters that are peripheral to the story. Modern culture undersells this story by portraying it as a love story only. It has so much more to it than that. Not only is Romeo and Juliet a love story, it has that other quality - it is really funny, and Shakespeare cleverly uses other characters in the story to highlight some of the plot absurdities. We are asked to suspend disbelief about the time line - three days - because that suits the dramatic format. But it is a play that is very aware of itself. I love it when Friar Laurence listens to Romeo wax lyrical about Juliet, when only yesterday it had been Rosaline... 'Holy Saint Francis, what a change is here! Is Rosaline, whom thou didst love so dear, So soon forsaken? Young men's love then lies Not truly in their hearts, but in their eyes.' I can just hear the Friar huffing ironically at young love. Fantastic. What about Juliet, who shows a real bit of wit, when she is talking to her nurse, as well as the Nurse - one of my favourite characters. Juliet is impatient for the Nurse to tell her what Romeo has

said, while Nurse is recovering from her journey: Juliet: I would thou hadst my bones, and I thy news: Nay, come, I pray thee, speak; good nurse, speak. Nurse: Jesu, what haste? can you not stay awhile? Do you not see that I am out of breath? (and Juliet impatiently answers) How art thou out of breath, when thou hast breath to say that thou art out of breath. The excuse that thou dost make in this delay is longer than the tale dost excuse. And of course, there are some of the most famous Shakespearean scenes and lines.... Romeo upon seeing Juliet at the

window: But, soft! what light through yonder window breaks? It is the east, and Juliet is the sun. and there is so much more. Romeo and Juliet was written to entertain, hold its audience in knowing suspense, to frustrate and amuse. And, young love being well known to be intense and dramatic, means that the audience can be both knowing and sympathetic, and enhances the tragedy of the deaths.

- It took a little long (4 weeks) but the book came all the way from NZ ... so everything's just fine.
