Bear in mind, reviewing reviews can aid you make notified choices concerning what to review next and can subject you to brand-new authors and styles you could not have actually considered previously.

REVIEW OF CONTENT MARKETING

STRATEGIES EBOOK SPINREWRITER

- I was assigned to read this book as part of an American/British modern lit. class, alongside many classics such as Heart of Darkness, Mrs. Dalloway, the Great Gatsby, etc...and this book falls short in comparison. Unlike many other reviewers, I did not have trouble following the style of the book. However, when it was all said and done, I had a great deal of difficulty determining what, if anything, this book was trying to say. Part of our assignment is to write 350 words about the theme of the story. Throughout the book I tried to write notes about any possible theme, and nothing solid surfaced. The cost of desire? Well, it may have led to the downfall of O'Brien and Hunter, but not so much the others around them. In fact, 4 of the book's least savory characters, the Claffey brothers, Slig, and Kane, end up with a nice little freakshow racket. Man's inhumanity to man? It's

a weak theme, but definitely appropriate. There is certainly a juxtaposition between the two main characters, one is an intelligent and kind man who is publicly displayed as a freak while the other is a mean, obsessive man who is the true freak in private. However, both characters are sad and pitiable by the time the last page turns. Overall the only thing I knew for sure after reading this was that London in the 1780's was a squallid, dangerous place to live. Mantel's writing style is excellent, and I certainly never got the impression that I was reading a modern novel. There are quite a few laughs, chills, and tearjerking moments, but in the end it just seems to be lacking a clear direction.

- While not being even close to the greatest book I've ever read, The Giant, O'Brien was still very good. I'm glad I read it. Shows in depth the bad side of human nature, especially greed and pride. Definitely worth reading.
